**Von Regina Scott : The Heiress's Homecoming (The Everard Legacy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heiress's Homecoming (The Everard Legacy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Baroness Samantha's turn.Von Detra FitchSet in Cumberland, England. The year is 1813. After his wife died giving birth to Jamie, Will ran off with the diplomatic corps. Only the death of his older brother brought him home. If he had

not been called home to claim the title and assume its responsibilities, Will might never have seen his son grow up. Now he is William Wentworth, Earl of Kendrick, and his son, Jamie, is an impressive young man at seventeen years of age. Will suspects that his neighbors, the Everards, were connected with his brother's death eight years ago; therefore he wanted nothing to do with them. But Jamie had grown up with Lady Samantha Everard as his best friend. Upon meeting the young lady, Will can easily understand why. Baroness Samantha Everard will lose Dallsten Manor and the bulk of her fortune if she does not wed by her twenty-fifth birthday. That fateful day is less than a fortnight away. Until a few odd years ago, Samantha had not known that she had any living family members. Since she met her three handsome cousins and watched them fall in love and begin having children, Samantha's life has been filled with so much joy. But if she has learned nothing else, Samantha knows that those in her family feel their emotions stronger than most others. Samantha fears that she may repeat her mother's mistake of marrying someone she loves only to realize a few years later that it had been only an illusion. It would be a few years of false love, followed by a lifetime of misery. Therefore, Samantha is fiercely determined not to wed in order to keep her inheritance even if that means losing her home and becoming the poor relative of the family. Will knows from his son that Samantha is under a great deal of pressure, yet Jamie refuses to divulge her secrets. Even with his years of diplomacy, Will is unable to convince the lady to tell him what is wrong. But when Will notices that Samantha is being stalked, he becomes even more determined to solve the mysteries surrounding her. \*\*\*\*\*

**FOUR A HALF STARS!** This is the final book in the Everard Quartet. There is not as much danger as in the previous titles of the series, but there is enough suspense to keep readers glued to their seats until the very end. (For those who would like to look up the Cousins stories: *The Rogue's Reform* (Love Inspired Historical) is the story of Jerome and Adele. *The Captain's Courtship* (Love Inspired Historical) is the story of Captain Richard and Lady Clair. *The Rake's Redemption* (Love Inspired Historical) is the story of Vaughn and Imogene.) Those who have read the prior stories have seen Samantha grow into a lovely and intelligent lady, who is very good at horseback riding and fencing. Now we see the results of her unusual life. And I could not be happier. It is pretty obvious who the bad guy of this story is, but that does not lessen the suspense at all. About the half-way point of the book, Samantha's cousins arrive with their families. Vaughn is the only one who plays an important role though. After all, Samantha cannot reveal any of the information about Will's brother and she certainly is not going to put her personal problems on display for him or anyone else. I admire that about Samantha's character. She is a strong role model. I would also like to mention to readers that this is an Inspirational Regency Romance, meaning that the main characters often say a short prayer or recall a Bible verse. Do not fret if you are not a Christian though. The author does not shove religion down the reader's throat. It is one of the traits that I love so much about this author. Regina Scott's stories seem to come directly from her heart. Highly recommended reading!

**Kurzbeschreibung** Terms of the Will To keep her cherished childhood home, Samantha Everard must marry by her twenty-fifth birthday. Yet she refuses to marry on a whim, not even to save her fortune. When she returns to Dallsten Manor to say goodbye, the last person she expects to see is her handsome, disapproving neighbor William Wentworth, Earl of Kendrick. Will is certain the scandalous Everard family is nothing but trouble. He shouldn't care about Samantha's predicament, but her feistiness and kindheartedness intrigue him as does her refusal to wed. He wants to help, especially when he perceives the threat that surrounds her. Soon his greatest wish is to persuade Samantha that her true home is with him.

ber den Autor Regina Scott started writing novels in the third grade. Thankfully for literature as we know it, she didn't actually sell her first novel until she had learned a bit more about writing. Since her first book was published in 1998, her stories have traveled the globe, with translations in many languages including Dutch, German, Italian, and Portuguese. She and her husband of over 20 years reside in southeast Washington State.
