Von Jude Deveraux : The Heiress (The Montgomery/Taggart Family) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heiress (The Montgomery/Taggart Family):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Love those MontgomerysVon Bonnie GilbertWhen Elizabethian knight Jamie Montgomery returns home after being away

for many years, he is shocked to find his family in dire straits. His father and older brother have died and he is now the earl and responsible for his mother, younger sister and blind twin sister. When the offer to escort the richest heiress in all of England to her fiance comes, Jamie does it for the money. His sisters have other ideas. Plain Axia Lancaster is no beauty compared to her cousin Frances, so she devises a plan to have Frances pretend to be her. Knowing that the man who is to escort her to her fiance is after her money and her hand in marriage, Axia knows this to be a good idea. Plans backfire when Axia finds herself reluctantly falling in love with Jamie and Jamie with her. But Jamie is supposed to woo the beautiful Frances, whom he believes to be the Lancaster heiress. Jude Deveraux delivers once again a wonderful medieval novel for the reader to cherish. You'll find yourself laughing at all the things that Axia does and falling just a little bit in love with the handsome Jamie. 1 von 1 Kunden fanden die folgende Rezension hilfreich. One of her best! Von Abby I was drawn to this book because I have read all velvet series and enjoyed the Montgomeries. I also was excited to know who amongst the brothers Jaime Montgomery belonged to. I was hoping to read more updates on the velvet's series family. Sad to say, the book did mention Jaime's father but with no name nor did it mention any velvet brothers. Nevertheless, I have enjoyed this love story very much. I didn't regret buying it. The confusions of love, pride and honor made the book interesting from front to end. The choice between Jaime's sisters comfort and love for a woman made it also even more compelling. Jude Deveraux describes each thoughts emotions with great impact. This book not only made me laugh but it made me cry as well. The letter from Axia's father was heart quenching in the end. It was the least I expected. I do not want to give it away for those who haven't read it. A must buy and a keeper. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Dragonslayer! Von Franni Could any man be more handsome than Jamie Montgomery? I seriously doubt it. Dragonslayer! This book is one of the best books I have ever read by Jude, the lovestory is filled with funny specks, such as him getting wounded ever so often, or her not believing that he could even defend himself - which happens quite often with Jude's heroes and heroines - even Tearle in The Conquest is at first considered a weakling by his dame. I laughed tears at the scene where the heiress learns to ride a horse, or more accurate, where Jamie helps her off the animal. Definitely a buyer!

Kurzbeschreibung Jamie Montgomery, an impoverished Elizabethan knight, is elated when he is assigned to escort Axia, the Lancaster heiress, to the castle of her betrothed. If only she will fall in love with Jamie 00 as Jamie's devoted older sister predicts 00 the family's financial woes will be solved. But Axia, who has spent her life closely guarded by her father's servants, is not the shy, cosseted flower Jamie expects. She's a hoyden, hell-bent on enjoying her precious moments of liberty before her marriage to a man chosen by her remote, eccentric father. After curtly informing Jamie not to bother declaring his love for her -- as all poor, handsome men seem wont to do -- Axia makes his life a misery, sneaking off to the marketplace, nearly breaking her neck on a runaway horse, and doing everything possible to delay the trip. Though she dare not admit it, even to herself, Axia dreads being wed to a stranger. Suddenly Jamie realizes that he savors even her most barbed words like the rarest nectar..that he is falling desperately in love with this bold, maddening beauty. Now he must contrive a daring plan to win her freedom -- and win her proud, defiant heart for his own! From Publishers Weekly No one is richer than the Maidenhall heiress. Miserly merchant Perkin Maidenhall is to Elizabethan England what John D. Rockefeller was to 20th-century America. And his daughter Axia, whom he has never met, stands to inherit the whole enchilada. But can a rich heiress ever find true love? Can she ever be sure that the hard-muscled thighs between her 16th-century sheets have been attracted by hot passion and not cold cash? Playing God (as the reader finally learns), the omniscient and omnipotent merchant intends to make sure that his daughter marries for love. He betroths Axia to a wealthy but impotent Yorkshireman, then hires penniless but startlingly handsome Jamie Montgomery, Earl of Dalkeith, to escort her across England. Poor Axia, who has spent her whole life cloistered away, with only Tode, a deformed young man, and Frances, her beautiful but shallow cousin, as companions, has never known any real freedom. The spirited girl switches identities with Frances for the trip? unbeknownst to Jamie, who has been given the last Montgomery pennies in order to seduce the heiress. Poor, honorable Jamie is torn between his growing devotion to Axia and his responsibility to marry for money. Lots of predictable filler before he discovers that his loss is his gain. Reliable Deveraux, if not her best. Copyright 1995 Reed Business Information, Inc.
