Von Amanda Stevens : The Hero's Son before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hero's Son:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Terrific Blend of Mystery and RomanceVon Ein KundeAmanda Stevens' "The Hero's Son" is a great story that shows her flair for the genre. Thirty years ago, Valerie Snow's father was convicted of kidnapping and murdering three-year-old Adam Kingsley. Now, she's returned to Memphis to prove his innocence. The only man standing in her way is Brant Colter, the son of the man who arrested her father so long ago. Brant is also in charge of the local law enforcement, and seems unwilling to let her out of his sight... The mystery gets into high gear here, in the first book of Stevens' "Kingsley Baby" trilogy and never lets up. The twists and turns lead up to a suspenseful and satisfying ending (that still leaves room for the tale to continue in the next two books), and the love story between the two never

disappoints. I especially loved a scene between Valerie and her father at the very end, which perfectly demonstrates what this book is: a great mystery with a lot of heart.

Kurzbeschreibung Valerie Snow had come to Memphis for justice. Thirty years ago her father had been wrongly convicted of a terrible crime, and Valerie was convinced that he'd been set up by the arresting officers. She was determined to find the real killer but he might have found her first. Detective Brant Colter had spent his life in the shadow of his hero: his father, his uncle and his mentor. After all, they'd arrested the kidnapper and murderer of a young boy. Hadn't they? Now Brant was forced to choose between protecting Valerie and possibly exposing his heroes as criminals. But Valerie had her own secrets. Even as he fell for her, was she deceiving him, too?
