This fantasy tale is well worth the readingVon Al-Khemet Book ClubThis fantasy tale is well worth the reading. It kept me up late, devouring it page by page and chapter by chapter.Nath is on a quest, one magical fantastic quest that moves your heart, his character is heroic, valiant and determined to accomplish his goals. Despite many challenges he always prevail and there is much lessons about life can be learned in this fictional book that seemed all too real. The world was almost three-dimensional and the author truly captured the magnificence of our imagination.Al-Khemet Book Club JUL 2015
