**Von Douglas Adams : The Hitchhiker's Guide to the Galaxy (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hitchhiker's Guide to the Galaxy (English Edition):

Bibel im Bibel-OutfitVon Schnucki- puhAussen : BibelInnen: Besser als BibelNein, ganz im ernst, es ist das beste Buch das ich je gelesen habe, meine Katzen heissen Zaphod, Trillian und Marvin.Die Aufmachung des Buchs ist der Hammer!

Zugegeben musste ich, obwohl ich die deutsche Fassung mehrmals gelesen habe, bei manchen Wörtern nachschlagen, das Vogonische Gedicht ging im original ziemlich an mir vorbei. Trotzdem würde ich jederzeit mehrere Loblieder anstimmen um Inhalt und Gesamtaufmachung in den Himmel zu heben. Kauft dieses Buch! Diese ist die schönste und wertigste Ausgabe. Trotzdem ist der Inhalt das beste daran. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Schöne Zusammenfassung aller Teile** Von Sandro L. Das Buch ist praktisch, da man alle Teile in einem Buch hat. Gerade preislich ist dies die beste Lösung, wenn man alle Teile lesen möchte. Dadurch ist das Buch natürlich schon ziemlich gewaltig (Größe und Gewicht). Um es in der Hand zu halten ist es auf Dauer zu unhandlich. Aber wenn man es beim Lesen auf einem Tisch oder seinem Schoß ablegt, geht es. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Sad but entertaining** Von Alice The only reason why this book will make you smile is because Douglas Adams wrote it - yes, the same Douglas Adams who wrote The Hitchhiker's Guide to the Galaxy. Other than that it's a unique compilation of the authors' search for the animals that are closest to extinction, unsure whether they will still find even one of them alive. Spoiler: They do find many. There is a follow-up series by the BBC (available on Youtube) by Stephen Fry and Mark Carwardine which I also highly recommend.

**Kurzbeschreibung** The intergalactic adventures of Arthur Dent begin in the first volume of the 'trilogy of five', Douglas Adams' comedy sci-fi classic The Hitchhiker's Guide to the Galaxy. On 12 October 1979 the most remarkable book ever to come out of the great publishing corporations of Ursa Minor (and Earth) was made available to humanity - The Hitchhiker's Guide to the Galaxy. It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The weekend has only just begun . . . With exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. **de** Join Douglas Adams's hapless hero Arthur Dent as he travels the galaxy with his intrepid pal Ford Prefect, getting into horrible messes and generally wreaking hilarious havoc. Dent is grabbed from Earth moments before a cosmic construction team obliterates the planet to build a freeway. You'll never read funnier science fiction; Adams is a master of intelligent satire, barbed wit, and comedic dialogue. The Hitchhiker's Guide is rich in comedic detail and thought-provoking situations and stands up to multiple reads. Required reading for science fiction fans, this book (and its follow-ups) is also sure to please fans of Monty Python, Terry Pratchett's Discworld series, and British sitcoms. **com** Join Douglas Adams's hapless hero Arthur Dent as he travels the galaxy with his intrepid pal Ford Prefect, getting into horrible messes and generally wreaking hilarious havoc.
