**Von Agatha Christie : The Hollow (Poirot) (Hercule Poirot Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hollow (Poirot) (Hercule Poirot Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 6 von 6 Kunden fanden die folgende Rezension hilfreich. AGATHA CHRISTIE HAS TRIED SOMETHING DIFFERENT THIS TIME... Von Ein Kunde As others, I'm a great reader of her books. I agree with others that The Hollow is different from other Poirot's books, simply because Poirot is not the main character that Agatha Christie wants to make in this story. So if you are looking for Poirot series and

hope to see how he solves marvellous cases, this book might be a disappointment. The reason of not setting Poirot as the main character, I should say, is very clever of Agatha Christie. This book has got other great characters that can be worked on. Lucy, Henrietta, Edward and Midge, all are well-developed figures in the stories. I believe readers will find human nature being the main message of this story instead of intriguing plot. This is what makes this story so special. And, I would really pay tribute to Agatha Christie as she has written a great romance in this story, not the usual kind you find in romance stories, but the very simple and basic where one finally realises what one is looking for. I wish Edward and Midge will lead a happy life and, I hope Henrietta will find her true love at the end.....yes, it's a story that will make you ponder.....4 von 5 Kunden fanden die folgende Rezension hilfreich. Character is Solution Von Scott E Amundsen Superb. The characterizations are much deeper than is usual in Christie, and to a great extent, it is character that leads to the solution here. There are clues, of course, but it is in reading the dialogue and the characters' thoughts that we have the best chance at solving the puzzle. It is true that Poirot is a bit superfluous here; the story works equally well without him (Christie removed him when she wrote the play), but if his presence does not add anything, neither does it detract from the effect of this unusually constructed and deeply moving story. 1 von 1 Kunden fanden die folgende Rezension hilfreich. a really good one Von Harriet Hasenclever No need to recommend Agatha Christie as a writer. This is a good one. This is really a good one.

Kurzbeschreibung Agatha Christie's ingenious mystery thriller, reissued with a striking cover designed to appeal to the latest generation of Agatha Christie fans and book lovers. Lucy Angkatell invited Hercule Poirot to lunch. To tease the great detective, her guests stage a mock murder beside the swimming pool. Unfortunately, the victim plays the scene for real. As his blood drips into the water, John Christow gasps one final word: Henrietta. In the confusion, a gun sinks to the bottom of the pool. Poirot's enquiries reveal a complex web of romantic attachments. It seems everyone in the drama is a suspect and each a victim of love. Pressestimmen A strange, poignant book; these are deep waters, with powerful undercurrents. (Michel Houellebecq, award-winning international author) A grade-A plot the best Christie in years. (San Francisco Chronicle) Pressestimmen "A grade-A plot -- the best Christie in years" San Francisco Chronicle
