Von Ellis Peters : The Holy Thief (Chronicles Of Brother Cadfael) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Holy Thief (Chronicles Of Brother Cadfael):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cadfael steals the show!Von Billy J. HobbsIt goes without saying that stealing is one of the sins in life--and with her usual characteristic zeal, author Ellis Peters adds murder to that list! In "The Holy Thief," the 19th chronicle of Brother Cadfael, Peters continues her top-flight form of the medieval whodunnit and, as usual, her protagonist, the good

Benedictine monk, rides to the rescue and solution. The year is 1144--and still King Stephen and Empress Maud are struggling in an interminable civil war, with no solution in sight. However, that historical fact is mere backdrop--as it usually is--to a more local concern. A renowned earl (Essex) is killed by an arrow, but not before he tries to make amends with Heaven by restoring some of the properties he had earlier "gained." This includes the abbey of Ramsey, a run-down site badly in need of more worldly help. The abbey sends envoys out, and one such envoy arrives in Shrewsbury, at the abbey of Saint Peter and Saint Paul, Cadfael's domain. The envoy includes Brother Herluin and his young novice Tutilo, who possesses a great singing voice along with other musical skills. In Shrewsbury is also, as the plot would have it, a beautiful slave girl (also a singer) named Daalny. Suffice it to say, Peters lays a solid romantic setting. But the rains come, so much so that much of the abbey's possessions, including the holy relics, must be moved to safety. But not so safely after all, as a theft is discovered. And this soon leads to--you have it--a murder. And Cadfael takes over. Using not only his brilliance, but his skills as the abbey's herbalist, Cadfael wastes no time in carefully solving the crime. Of course, as in all the Cadfael adventures, the murder is solved. The solution rarely comes easily for this ex-crusader, nor should it. Peters does not rush into her novels, which are characterized by logic and sound research. Peters' very successful series has been adapted to TV, and while the episodes are generally very good, the televised portrayal of both Cadfael and the story line leaves quite a bit to be desired, as good as they are. The books are the better choice. I have never been disappointed and "The Holy Thief" is no exception.0 von 0 Kunden fanden die folgende Rezension hilfreich. Let this book steal a few moments of your time!Von Ein KundeExcellent plot with Peters's engaging style and way with characters provides a great read. There's more than the usual sample of humor as the state of St. Winifred's bones is the centerpiece to the story.0 von 0 Kunden fanden die folgende Rezension hilfreich. BewertungVon Martin BlerIch lese sehr gerne Ellis Peters und war froh, wieder fr mich neue Romane preiswert zu bekommen. Ich bin sehr zufrieden.

KurzbeschreibungIn early 1145, subsiding flood waters reveal a robbery has been committed on church grounds, and Brother Cadfael thinks the robbery is connected to a murder.**Pressestimmen**Soothing, but no shortage of mayhem. (OBSERVER)**Werbetext**In his nineteenth chronicle Brother Cadfael is charged to investigate the theft of the Abbey's most sacred treasure.
