Fabulous second part... Von LittleDarlingI am really glad I got to read book 2 right after I finished The Law Of Attraction. I dont think I could have waited even a second to find out how Bradens and Gabbies story continues. And what a story it is. Home Court Advantage picks up right where The Law Of Attraction left off and is just as fun of a ride. And how couldnt it be when a socially, awkward and klutzy Gabrielle gets herself and her friends into situations that will make you laugh so hard, you will snort. Well, at least I snorted. Being a bit awkward and klutzy myself, I could totally relate to her character. Braden is even hotter and sexier than in the first book, being a total sweetheart to Gabby, which shows he really loves her as she is a bit of an acquired taste. At the same time he is a mean sex machine and the sex him and Gabby have holy crap. There is even a thing or two that you can learn from them. What I really loved about this book is that we get to know their friends better. And they are a hoot. Each of them has a very unique personality with quirks and mannerisms that won my heart from the first moment I read about them. And their families especially Gabbys grandma Bubbe and Bradens brother Drew I wish my family was this dysfunctional. Seriously, read this book. You dont want to miss becoming friends with this bunch. 5 absolutely amazing. laugh-until-you-cry stars.

Come join the fun as the sexiest couple in the Philadelphia Criminal Court System shares more witty banter and red hot lovin with a dash of mystery thrown in. The story that began with The Law of Attraction concludes with lots of love and laughter in The Home Court Advantage. "The hilarious and lovable ensemble is back!"
