**Von David Weber : The Honor of the Queen, Second Edition (Honor Harrington Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Honor of the Queen, Second Edition (Honor Harrington Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 5 Kunden fanden die folgende Rezension hilfreich. Heiliger Krieg - die Space Opera geht weiterVon NMKHonor Harrington wird als Kommandantin einer kleiner Flottille nach

Grayson gesendet, um die dortigen Bewohner für eine Allianz mit Manticore zu gewinnen. Als Honor sich dort einfindet, sieht sie sich einer religiösen Männergesellschaft gegenüber, in der Frauen nicht sehr viel zählen und auch keine wichtigen Posten begleiten. Wie in der Bibel niedergeschrieben, hat die Frau dem Manne zu dienen. Diese Situation macht es Honor schwierig die richtigen Kontakte zu knüpfen und während ihres Aufenthalts im System von Grayson hat sie mit Ressentiments ihr gegenüber, der schwierigen strategischen Lage aufgrund des schwellenden Religionskonflikts mit dem Nachbarsystem Endicott, einer Untergrundorganisation und den heimlichen Bemühungen von Haven zu tun, die ihr zusätzlich das Leben schwer machen. Weber greift wieder einen Konflikt aus der realen Welt auf und mnzt diesen auf das "Honorverse" um. Dies gelingt ihm vorzüglich. Die Story ist spannend und zügig und voll von Überraschungen und Wendungen. Der Author schreibt noch einen Tick besser als im Vorgängerroman On Basilisk Station (Honor Harrington). Fazit: Wem der erste Band gefallen hat, wird an diesem auch wieder Freude finden. Die Geschichte ist spannend und die Charaktere entwickeln sich zunehmend. Der Anschlussband ist Short Victorious War (Honor Harrington). 2 von 2 Kunden fanden die folgende Rezension hilfreich. Admiral Honor and religious fanaticism on Grayson! Von William Underhill (trode@geocities.com) Wow! David Weber's fifth book is compelling, moving and riveting. Honor Harrington, on the beach at half-pay from the Royal Manticoran Navy, is offered a commission as an Admiral in the newly-rebuilt Grayson Navy. Not only that, but she has taken up her duties as Steadholder, and is developing a radical new (to the Graysons) technology that may make feeding their world a lot easier. Everything's coming up roses, right? Don't bet on it. The Peeps are getting better organized as new officers get more combat experience and learn from their mistakes. The RMN can't push them around anymore. The Peeps have decided to move on Yeltsin's Star (the primary for the world of Grayson), and take out what is probably Manticore's most capable ally. On Grayson, certain elements of Grayson society are determined to everything and anything necessary to prevent Honor Harrington from executing the duties of her office as Steadholder, all in the name of God's will. The double hammer of the Peep attacks and the sabotage and treason cooked up to frame her very nearly destroy Honor, but she rallies and finishes strongly in a climax that you will \*not\* soon forget. 2 von 3 Kunden fanden die folgende Rezension hilfreich. EXCELLENT! Von Randy Jones I was pleasantly surprised that the second book in this series was better than the first (which was awesome). The character development of Honor Harrington in the book is solid and deep. Action packed, good story. I passed this and other Honor Harrington books because of the female lead character. I made a BIG MISTAKE. This is one of the best sci-fi books I have read in a LONG time. Honor Harrington makes other space heroes (Cpt. Kirk and company) look like whimps! But read On Basilisk Station first.

Kurzbeschreibung Now with new content! RIGHT WOMAN, WRONG PLACE It's hard to give peace a chance when the other side regards war as the necessary prelude to conquest, and a sneak attack as the best means to that end. That's why the Kingdom of Manticore needs allies against the so-called "Republic" of Haven--and the planet Grayson is just the right strategic place to make a very good ally indeed. But Her Majesty's Foreign Office had overlooked a "minor cultural difference" when they chose Honor Harrington to carry the flag: women on the planet Grayson are without rank or rights; Honor's very presence is an intolerable affront to every male on the planet. At first Honor doesn't take it personally; where she comes from gender discrimination is barely a historical memory, right up there in significance to fear of the left-handed. But in time such treatment as she receives from the Graysonites does become wearing, and Honor would withdraw if she could--but then Grayson's fratricidal sister planet attacks without warning and she must stay and prevail, not just for Honor's honor, but for her sovereign's, for--THE HONOR OF THE QUEEN. At the publisher's request, this title is sold without DRM (Digital Rights Management). Kurzbeschreibung Now with new content!
