**Von C. S. Lewis : The Horse and His Boy (The Chronicles of Narnia, Book 3)** before purchasing it in order to  
gauge whether or not it would be worth my time, and all praised The Horse and His Boy (The Chronicles of Narnia,  
Book 3):

Kurzbeschreibung Illustrations in this ebook appear in vibrant full colour on a full colour ebook device, and in rich black and white on all other devices. Narnia . . . where horses talk . . . where treachery is brewing . . . where destiny awaits. On a desperate journey, two runaways meet and join forces. Though they are only looking to escape their harsh and narrow lives, they soon find themselves at the center of a terrible battle. It is a battle that will decide their fate and the fate of Narnia itself. The Horse and His Boy is the third book in C.S. Lewis's The Chronicles of Narnia, a series that has become part of the canon of classic literature, drawing readers of all ages into a magical land with unforgettable characters for over fifty years. This is a novel that stands on its own, but if you would like to return to Narnia, read Prince Caspian, the fourth book in The Chronicles of Narnia. de The Horse and his Boy is a stirring and dramatic fantasy story that finds a young boy named Shasta on the run from his homeland with the talking horse, Bree. When the pair discover a deadly plot by the Calormen people to conquer the land of Narnia, the race is on to warn the inhabitants of the impending danger and to rescue them all from certain death. None of the sheer magic of the Horse and His Boy has faded since it first delighted a generation of children in the 1950s, and anyone who has ever savoured the peculiar delights of Narnia will love this special edition, published in celebration of the centenary of CS Lewis. With its stylish, larger format featuring fine, hand-coloured illustrations by Pauline Baynes, all the magic of the originals can be found in this delectable tale which will continue to enchant hosts of new readers long into the future. -- Susan Harrison.co.uk The Horse and his Boy is a stirring and dramatic fantasy story that finds a young boy named Shasta on the run from his homeland with the talking horse, Bree.
