Whisperer is a real Jewel. It's easy and wonderful to read and you didn't get bored. Every single page of the book it's worth to be read. A gripping drama, a slosly romance, and a tragedy Von Steven Reads Well, talk about differences of opinion! Just read some of these reviews/ratings. I will defend the book. It grips you at the onset, keeps you wondering, even through the romance and maintains a good storyline and plot. Yeah, okay, maybe some sideplots were tossed in to make for what the author thought would be a more interesting novel (and some of it works). Overall, this is a readable tale, with a beginning that should snag you, and pull you through. I do not believe the movie will be better. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Begins intensely, grows into satisfying modern western Von Buddy Barnes Girl and horse, both with internal and external scars, get help from a cowboy horse-doctor with an unusual hayside manner. Cowboy and girl's mother fall in love and dally around, even though she's still married -- kind of a Bridges of Madison County on horseback. All this inevitably leads to tragedy, which is what a good moral-coral story is all about. And author Nicholas Evans makes it all worthwhile with unequaled foreshadowing that makes you want to turn the pages harder, and descriptions of western scenes that make you want to saddle up and ride the range. No wonder they made a movie of it, but this story doesn't have a Hollywood ending. Which is a good reason in itself to read this story, so that you won't miss the big surprise; even in tragedy, there is renewed hope.

Kurzbeschreibung In the still of a snow-covered morning in upstate New York, a girl out riding her horse is hit by a 40-ton truck. Though horribly injured, both thirteen-year-old Grace Maclean and her horse Pilgrim survive. But the impact on their lives is devastating. Grace is the only child of prominent New York magazine editor, Annie Graves, and her lawyer husband Robert. In a way that none of them at first understands, their destiny comes to depend on Pilgrim's. So mutilated and traumatised is he that even the vet who saved him wishes he hadn't. Annie refuses to have him put down, sensing that if she does, something in Grace will die too. Then Annie hears about a man called Tom Booker, a 'whisperer' who is said to have the gift of healing troubled horses. Abandoning her job, Annie sets off across the continent with Grace and Pilgrim to find him. Under the massive Montana sky, all their lives are changed for ever..de Zuerst gab es das Buch, dann kam der Erfolgsfilm aus Hollywood. Aber es gibt noch eine andere Art, die bewegende Geschichte Der Pferdeflüsterer zu erleben. Frank Mullers meisterhafte Erzählfähigkeiten passen hervorragend zu dieser ungekrzten Version von Nicholas Evans Bestseller-Mischung aus Tragik, Selbstfindung und schamloser Romantik. Muller nimmt die Identität jedes einzelnen Charakters an und macht ihn glaubhaft -- vom lebhaften neunjährigen Jungen über ein schluchzendes dreizehnjähriges Mädchen bis hin zum Montana-Cowboy, wie er leidet und lebt, und unzähligen anderen. Mhelos wechselt er von einer Stimme zur anderen und bindet die handelnden Personen geschickt in Evans fesselnde Erzählung ein. Als die Familie Graves -- die dreizehnjährige Tochter Grace, die starke Geschäftsfrau Annie und der Ehemann Robert, ein Rechtsanwalt -- von einer Tragödie ereilt wird, versucht jeder von ihnen auf seine Weise damit zurechtzukommen. Annie glaubt mit der Heilung des physisch und seelisch mitgenommenen Pferdes ihrer Tochter auch deren verletzte Seele heilen zu können. Und so beginnt die Suche nach dem geheimnisvollen Pferdeflüsterer. Er wird verkörpert von Tom Booker -- einem gutaussehenden, rauhen und sensiblen Cowboy aus Montana. Die Geschichte bewegt sich vom Norden des Bundesstaats New York bis nach Manhattan und macht dann einen ereignisreichen Schwenk zu den herrlichen Ausläufern der Rocky Mountains. Mullers eindrucksvolle stimmliche Fähigkeiten machen diese bewegende Geschichte zu einem wahren Hergenu. --Colleen Preston.co.uk Nicholas Evans's best-selling Horse Whisperer is a story of tragedy, soul-searching and unabashed romance. When the Graves family -- 13-year-old daughter Grace, high-powered, highly charged Annie, and her lawyer husband Robert -- is struck by tragedy, each searches for their own way to come to terms with it. Annie thinks if she can fix Grace's physically and spiritually battered horse, she'll mend her daughter's maimed soul in the process. And so the search for the mythical horse whisperer begins. He appears in the form of Tom Booker -- a handsome, rugged, sensitive Montana cowboy. The story travels from Upstate New York to Manhattan, then makes an eventful detour through the glorious foothills of the Rocky Mountains. --Colleen Preston
