Von Marilyn Pappano : The Horseman's Bride (Heartbreak Canyon) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Horseman's Bride (Heartbreak Canyon):

Not to be mistaken with old-fashioned, it can definitely hold its own against anything released in the genre today. What I mean by old-fashioned is that there are no hooks, she isn't a virgin, no-one's secretly pregnant, and our hero is neither a billionaire nor devastatingly handsome... and they're not even pretend married!But the couple is good together. They are both strong and intelligent and caring, especially caring. They care for each other and their friends and even their relationship. Easy is a jerk, but you can feel his motivation and you know what drives him. Shay loves her man and precious little can sway her from that, she's willing to work through the pain for the pleasure of being with him and we

celebrate when he does the same for her. By the end of the book I cared about these two, I wanted it to work forever, and I believe it will. They had a past and it wasn't filled with the usual mis-understandings ... they knew exactly what they did to each other but weren't mature enough handle it until now. I'll be hunting for the rest of Ms. Pappano's books. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A HEARTWARMING READ! Von Ein Kunde THE HORSEMAN'S BRIDE is a compelling story revolving a man haunted by past mistakes trying to recover from an almost fatal accident that's left him handicapped. It also centers on the woman he's always loved and her determination to have him realize that handicapped or not, he and their love is worth fighting for. THE HORSEMAN'S BRIDE is definitely a fantastic read that you'll enjoy. Trust me! Luciano 1 von 1 Kunden fanden die folgende Rezension hilfreich. Terrific! Von Ein Kunde I usually like Marilyn Pappano's work, but this is really good. I stayed up all night fascinated by this book -- great characters, great writing! Can't wait to see the next in the series.
