Wie der Titel schon sagtVon HelltigerAlle drei Bnde sind super spannend geschrieben. Man hat Schwierigkeiten,

zwischendurch Pause zu machen. Hier ist für jeden etwas dabei: Spannung, Sex und einige wirklich heiße Special Forces Männer. Insbesondere der Zusammenhalt unter diesen macht das Besondere in dieser Serie aus. Bin schon gespannt, wie es weitergeht.

Kurzbeschreibung Collect the first three stories in the Hostile Operations Team military romance series! 600+ pages of exciting reading!**HOT PURSUIT (#1)** He was the last man in the world she wanted to see...but he might be the only one who could save her...Ten years ago, Matt Girard did something he shouldn't. When sweet Evangeline Baker offered him her virginity, he took it. Then he left town and he's never looked back. Until now. His future as a black ops soldier with the Hostile Operations Team is in jeopardy, and he's come home for a few days before going back to face the consequences of a mission gone wrong. Matt still makes Evie's heart pound, but she wants nothing to do with him. She's had enough of men who lie and promise things they don't deliver. But when her sister goes missing and her ex-boyfriend turns up dead, she's in need of Matt's special military skills. With time running out, Matt will put everything on the line to protect Evie and find her sister. Even if it means sacrificing all he's worked for with HOT. Sometimes, the reward is worth the price. Especially when it's the one woman he can't forget...**HOT MESS (#2)** English professor Dr. Georgeanne Hayes has a problem. Her star pupil, an Army sergeant who works in a Top Secret government program, is missing--and someone tried to push her in front of a train last night. Sam "Knight Rider" McKnight is used to looking out for Georgie. When they were kids, she was just his best friend's baby sister. But Georgie's not a baby anymore and Sam is getting some very male--and very dirty--thoughts about the girl he knows he can never have. When someone threatens Georgie's life again, Sam will do anything necessary to keep her safe. Even if it means spending the next few days locked up in a remote house on Maryland's Eastern Shore with her. Sam might be used to denying himself what he wants, but he's about to find out that being cooped up with Georgie will push him to the limit. And maybe beyond.**HOT PACKAGE (#3)** When public relations expert Olivia Reese stumbles onto evidence of a dangerous conspiracy right before Christmas, there's only one man she can call for help. Billy "The Kid" Blake is a member of an elite military unit--the Hostile Operations Team--and he's Olivia's former lover. Billy never forgot the sexy woman who rocked his world--and his bed--before she walked out on him. Now that she needs his help, he'll do anything he can to keep her safe. But as time runs out and the snow piles up, can Billy and Olivia work together to thwart a lethal plot against the Pentagon without getting involved again? s: "Fans of Suzanne Brockmann's Troubleshooters series or Lori Foster's Men Who Dare series would find this series comparable." - er" ...one of those must read black ops series that is as good as Maya Banks Cindy Gerard!" -- Just Plain Sassy "Seriously is there a hotter series out there in this genre? Because if there is, I have loved these books from book 1 and they are only getting better and better not to mention hotter!!!" -- Goodreads
