KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Passion, Power and ObsessionVon Jennifer.This is one of those books where you can relate to the characters, even when the story becomes extreme. They seem like people you know doing things that are usually only fantasies. Then there are parts where the authors humor can be seen. The company might see over the top, but if youve ever worked for a really big company youve heard the rumors of what people get up to on the executive floor. Maybe you didnt believe those rumors at work. But here they are all true! A good read, part of a series, so there is more to read.

KurzbeschreibungGene and Jennifer Davies had it all when they were young; wealth, power and mind blowing sex. Eight years later the money, the power and their sex life are long gone. Until an unexpected job offer from an odd stranger takes them back to where it all had happened. For Gene, this job is the opportunity to put his life back in order and to be the man he wants to be. For Jennifer this move is disrupting her life and putting her back to where their marriage started to fall apart. For both of them the special requirements of this job are going to challenge their assumptions, boundaries, relationship and take them places they never imagined they would ever go.This is installment One The Bull Pen - of the story of Gene and Jennifer Davies and their unplanned journey into the world of the Hotwife Life. This story is 11,000+ words Cuckold Lifestyle Erotica story that contains multiple partners, interracial, exhibitionism, voyeurism, cuckold and a hot wife. All characters depicted are over 21 and all acts described are consensual. KurzbeschreibungGene and Jennifer Davies had it all when they were young; wealth, power and mind blowing sex.
