Von Agatha Christie : The Hound of Death (Agatha Christie Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hound of Death (Agatha Christie Collection):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Twelve thrilling short storiesVon Wild LeopardThe case of the Hound of Death. Strange premonitions of danger. A girl with four distinct personalities. A man haunted by recurring dreams about a gypsy. A house haunted by a dead child. A woman who hears her dead husband's voice through her wireless. The witness for the prosecution. A voice that only

one man can hear crying for help at the same time every day. A house being haunted by a dead cat while another man loses his personality. A strange tune with terrific powers. The last seance held by an exhausted woman. The message "SOS". Together these are twelve terrific, somewhat unusual cases from Agatha Christie. There is a great touch of the spiritual, as the author gives not only natural, but also supernatural explanations. The book is certainly worth reading, especially for fans who enjoy more mysterious stories.
