KurzbeschreibungNestled amongst the redwood forests and lush mountains of Northern California there exists the sleepy little town of Gravelton where many secrets are held behind the facade of normalcy. When Carson Barnes is summoned to Gravelton in order to accept the house he has inherited from his Uncle Victor's estate, he finds himself caught in a web of lies and secrets about his family and the strange house that sits just outside of town. Carson soon discovers there is no secret in Gravelton greater than the one that is held beneath the house, and as he discovers the truth he finds that his destiny, and the fate of the entire town, are inextricably joined.
