The Human Division 11: A Problem of Proportion von Helmut Henschel A nice short story in the context of Old Man's War. The conspiracy within the Colonial Union is well developed and really thrilling. What a pity that John Scalzi seems to have lost his interest to follow up and resolve it.

Kurzbeschreibung The eleventh episode of The Human Division, John Scalzi's new thirteen-episode novel in the world of his bestselling Old Man's War. Beginning on January 15, 2013, a new episode of The Human Division will appear in e-book form every Tuesday. A secret backdoor meeting between Ambassador Ode Abumwe and the Conclave's Hafte Sorvalh turns out to be less than secret as both of their ships are attacked. It's a surprise to both teams but it's the identity of the attacker that is the real surprise, and suggests a threat to both humanity and The Conclave.
