Von John Scalzi : The Human Division (Old Man's War) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Human Division (Old Man's War):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Fr den 5. Band der Geschichte weiterhin erstaunlich gut Von Michael Hauser Kommt an die Originalitt vom ersten Band "Old Man's War" natrlich nicht heran (wann wird dieser eigentlich verfilmt?) - aber fr den 5. Band der Serie noch immer erstaunlich witzig und kurzweilig. Und - no na ned - Scalzi schribt so, dass er noch ein oder mehrere Bnde daran

anhngen kann :-)

Von starbooksIHSalzi's special kind of humor is unbeatable, and the adventures told here are quite unique. For the fans certainly interesting what happens after Perry's return to Earth. Only thing that annoyed me is that we still do not know who is behind the attack and there is no next book to read.

Von Christoph FehlengerDas typische Serien Phnomen tritt auf, sehr langsame Entwicklung der Geschichte, wenig Dinge werden geklrt, vieles wird auf spter verschoben. Mich macht das leider nicht neugierig, sondern langweilt mich eher. Personen werden aufgebaut, und sterben dann ohne die Geschichte oder das Universum voranzubringen. Das Buch hinterlsst bei mir das Gefhl ein Lckenfller oder eine Cashcow zu sein. Schade.

Kurzbeschreibung
John Scalzi's The Human Division is the fifth in The Old Man's War series. Lieutenant Harry Wilson has an impossible mission. He must help preserve the union of humanity's colonies, in the wake of a terrible revelation. For years the Colonial Union has protected its citizens from the dangerous universe around them. But the people of Earth now know the ugly truth. The Union deliberately kept Earth as an ignorant backwater - and as a source of recruits for its war against hostile aliens. Now, other alien races have formed a new alliance against the Union. And they've invited the incensed people of Earth to join them. Managing the Colonial Union's survival will take all the political cunning and finesse its diplomats can muster. And Harry and his team will be deployed to deal with the unexpected - for failure is unthinkable.
Pressestimmen
I loved The Human Division...It all ends with a grand slam that puts The Human Division on the shortlist of SF's potential future classics, and leaves readers with the thrilling prospect that if this is really the end for good old Homo sapiens, we have only just begun to fight (SF s.net)
An invigorating and morally complex interstellar thriller with heart ... Deeply realized characters and stinging webs of political and social deceit lend mystery and emotionally harsh realism to a thrilling setting of deep space and distant worlds (Publishers Weekly)
Featuring the author's trademark humor, clever dialog, and a hefty dose of action, this is a wonderful addition to Scalzi's Old Man's War universe (Library Journal)
Immensely entertaining (RT Book s - 4 1/2 stars, Top Pick)
The Human Division flat out rocked. It's a smart space opera novel that weaves together politics, characters and action ... this is a fine read, and an excellent addition to the series (Geekexchange.com)
