Von Meg Collett : The Hunted One (End of Days Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hunted One (End of Days Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Slow-paced - and gripping!Von Karen O.The book starts dramatic, yet at a very slow pace. This is an unusual and immensely clever elaborated way of starting a series. This unusual combination of important events and the slow pace might take a while to get used to. From then on, you feel the urge to continue reading, accompanying Michaela. The

question of who to trust is ever-present. Michaela is the hunted one, urgently seeking the truth. This book might shake your concept of Angels, Heaven and Hell. Michaela and all other characters are portrayed with their strengths and weaknesses, neither glorified nor demonized. Meet Michaela, Gabriel, Clark, and the other characters and decide if you agree with me. I will not tell you more. This would spoil the fun of reading this book yourself. With this first volume of the End of Days series, Meg Collett proves that action does also work in slow motion, her book never loses its flow. As a reader, you need the slower pace in order to comprehend the whole picture of The Hunted One perhaps you do not see that at first however, you get used to it pretty fast.

KurzbeschreibungThe fallen have trespassed into Heaven for the first time in eternity. Prepared for battle, Michaela and her Archangels open Heavens gates to confront the fallen. Only, Michaelas Archangelsher brothers and sisters in Heavenbetray her. And when the fallen attack the sanctuary in the skies through the gates Michaela inadvertently left open, the holy angels accuse Michaela of planning the invasion. One simple mistake with a thousand consequences. Dragged to Earth by an Archangel turned fallen, Michaela will do anything to return to Heaven and save it. In her fervor, she kills the Archangel something no angel has ever done before. Wingless, without any hope, Michaela welcomes death when an unlikely human ally, Clark, finds her. With the help of Clark and Gabriel, an innocent Archangel whose friendship deepens into something far more torrid and unexpected on Earth, Michaela must prove the holy angels have their own plan for Heaven, and it is one that may prove to be the End of the Days. It may be too late to save herself, but Michaela is the only one who knows the truth about the holy angels. If she fails, she may never be able to return to Heaven. But even that may be a hopeless dream. End of Days Series The Hunted One The Lost One The Only One Wanting more End of Days? Don't miss the spin-off series DAYS OF NEW. Available now!
