Von Liane Moriarty : The Husband's Secret before purchasing it in order to gage whether or not it would be worth my time, and all praised The Husband's Secret:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannendes Buch!Von VMMTolle Autorin! Spannendes Buch, bis zum Schluss. Die Charaktere sind sehr tiefgründig und die Familienstrukturen unglaublich spannungsvoll beschrieben. Kann ich nur empfehlen.1 von 2 Kunden fanden die folgende Rezension hilfreich. Geistreich, clever, wunderschön geschriebenVon Julia K. SteinDas Buch von Liane Moriarty war toll. Ich habe es aufgrund der vielen guten Rezensionen gelesen und ich war begeistert von der Autorin.

Am meisten angetan hat mir ihr Schreibstil. Sie geht immer sehr stark in die Köpfe der Personen hinein, nicht ganz so wie Virginia Woolf, aber wirklich nah und schafft es die Gedanken der unterschiedlichen Frauen, deren durch einen Mord verwobenes Schicksal sie durchleuchtet, lebendig zu machen. Für mich waren die Mütter, die Großmütter, Cecilia und ihre Freundinnen (damit setzt es ein, ich hätte noch mehr darüber hören können) absolut glaubhaft und lebendig. Manchmal interessiert mich der Plot weniger als der Stil, so war es auch hier, aber der Plot war clever durchkomponiert und brachte überraschende Wendungen, die ich nicht weiter beschreiben möchte, um nicht zuviel zu verraten. Eine ganz tolle Autorin, von der ich jetzt noch mehr Bücher lesen werden.¹ von 2 Kunden fanden die folgende Rezension hilfreich. intelligent, witzig, spannend Von Christoph M. Wein absolutes Lesevergnügen: intelligent, witzig, spannend. Gut konstruiert und schön geschrieben. Eine Leser-Rezension hat vermerkt, das Buch würde langweilig, wenn das Geheimnis gelüftet ist. Dem kann ich mich nicht anschließen: denn gerade, wie alle Beteiligten mit dem jetzt nicht mehr geheimen Geheimnis umgehen, war wiederum spannend. Meines Erachtens kein reines Frauenbuch, auch wenn es aus der Perspektive von drei Frauen erzählt ist.

Kurzbeschreibung The Husband's Secret is a gripping story about love, deception and how the smallest choice can have the biggest consequences. From the bestselling author of the hit HBO series Big Little Lies. How well do you know your husband? My Darling Cecilia If you're reading this, then I've died. Happily married and the mother of beautiful children, Cecilia has the perfect life . . . until she finds the envelope. Written in her husband's hand, it says: to be opened only in the event of my death. Curious, she opens it - and time stops. John-Paul's letter confesses to a terrible mistake which, if revealed, would wreck their family as well as the lives of others. Cecilia - betrayed, angry and distraught - wants to do the right thing, but right for who? If she protects her family by staying silent, the truth will destroy her. But if she reveals her husband's secret, she will hurt those she loves most . . . The Husband's Secret is about the things we know, the things we don't, and whether or not we ever get to choose. Above all, though, it's about how we must live with the consequences of our actions - whether we like it or not. 'The Husband's Secret is a staggeringly brilliant novel. It is literally unputdownable' Sophie Hannah 'The book's finely-wrought tension holds up until the final page' The Telegraph 'The writing is beautiful: sometimes funny, sometimes sad but always compelling' Good Housekeeping 'Gripping, acutely observed, thought-provoking and funny' Marie Claire 'Captivating' Closer 'It's a tense, page-turning story which gradually draws everyone together in a devastating climax. The writing is insightful on the subjects of families and friends, parents and children, husbands and wives. But what makes this a great read are the agonising dilemmas the characters face over blame and guilt, forgiveness and retribution, love and betrayal' The Mail on Sunday, You Magazine **Pressestimmen** The Husband's Secret is a gripping story about love, deception and how the smallest choice can have the biggest consequences. From the bestselling author of the hit HBO series Big Little Lies. How well do you know your husband? (from the publisher's description) **Kurzbeschreibung** The Husband's Secret is a gripping story about love, deception and how the smallest choice can have the biggest consequences.
