Charakterstudie Von Wolke7 Ellen ist eine Hypnoterapeutin mit einer schier unglaublichen Empathie für die Menschen in ihrer Umgebung. Ihr Verständnis macht auch vor einer Stalkerin, die ihren neuen Freund in den Wahnsinn treibt, nicht halt... Die Geschichte wird abwechselnd Ellens Sicht und aus Sicht der Stalkerin Saskia erzählt, so da auch der Leser die Möglichkeit hat, sich mit der Antagonistin Saskia zu identifizieren. Liane Moriartys Schreibstil ist wie immer locker flockig und die Geschichte plätschert anfangs so dahin. Sie entwickelt sich weder zum echten Drama noch zu einem Krimi - während Ellen versucht, ihr neues, chaotisches Leben zu erfassen und zu organisieren wird sie Stück für Stück zu einer doch fesselnden Charakterstudie. Obwohl es nicht ihr bestes Buch ist - für Freunde der Autorin ist der Roman auf jeden Fall empfehlenswert

Kurzbeschreibung The Hypnotist's Love Story is a gripping exploration of love and obsession, from the bestselling author of the hit HBO series Big Little Lies. How far would you go to keep the man of your dreams? Hypnoterapist Ellen is fascinated by what makes people tick. So when she falls in love with Patrick, the fact that he has a stalker doesn't faze her in the slightest. If anything it intrigues her, and the more she hears about Saskia, the more she wants to meet this woman. But what Ellen doesn't know is that they've already met . . . Saskia has been posing as one of Ellen's clients. Unable to let go of the life she so abruptly lost, she wants to know everything about the woman who took her place. And the further she inches her way into Ellen's world, the more trouble she stirs up. Ellen's love story is about to take an unexpected turn. But it's not only Saskia who doesn't know where to stop: Ellen also has to ask herself what lines she's prepared to cross to get the happy ending she's always wanted.
