Von Julie Garwood : The Ideal Man (Buchanan / Renard / MacKenna Book 9) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ideal Man (Buchanan / Renard / MacKenna Book 9) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Finding love in deadly circumstancesVon Helen HancoxWhat must it be like to have not one but two men out to kill you? This is a question that our heroine, Dr Ellie Sullivan, presumably asks herself, although we don't get a great deal of introspection in this book. What we get instead is a fairly standard romance story with various subplots to keep it moving.Ellie hasn't really thought of what her ideal husband would be but Max Daniels would definitely not fit her initial idea. He's an FBI agent who lives 4,000 miles away in Honolulu but who is on the scene of a failed FBI arrest when Ellie finds herself a witness to the shooting of an agent - and to the shooters. She finds herself heavily involved when she operates on the agent (she's a trauma surgeon) as well as trying to identify those behind the shooting.The action fairly quickly moves to Ellie's hometown in South Carolina where she is meant to be attending her sister's wedding - the sister who seduced Ellie's fianc when she first took him home to meet her family. But Agent Max Daniels is concerned for Ellie's safety as a witness so travels with her, only to discover that she has a danger from her past also reappearing in her life.I enjoyed reading this book and found it a light, easy-to-read story. We don't delve that deeply into anyone's characters, there are various subplots that keep the interest (such as Ellie's sister Annie and her love life) and the hero is suitably manly, if rather indistinct. I found both Max and Ellie rather standard for this kind of book (Max the tall, dark, handsome, virile man and Ellie the caring, generous doctor) but I liked their interactions and the fact that Ellie seemed to be coping well with a really rather dramatically difficult series of events in her early teens.It's a good story and will undoubtedly appeal to Julie Garwood's fans.Originally published for Curled Up With A Good Book Helen Hancox 20121 von 1 Kunden fanden die folgende Rezension hilfreich. Schade!Von margaret thorntonLang erhofft und leider nicht die Gteklasse, die die historischen Romane von Julie Garwood besitzen. Das ist sehr bedauerlich, denn ich hatte mich sehr auf ihr neues Buch gefreut. Da ich ihre Werke sammele, habe ich es dennoch gekauft und hoffe nun auf eine Verbesserung beim nchsten Band.0 von 0 Kunden fanden die folgende Rezension hilfreich. .Von Kerstin RoushJulie Garwood is one of my favorite authors. I have read all her books and more than once. Love them all.

KurzbeschreibungA womans life and love are compromised in this pulse-pounding thriller from #1 New York Times bestselling author Julie Garwood.Dr. Ellie Sullivan has witnessed the shooting of an FBI agent in pursuit of a ruthless modern-day Bonnie and Clyde known as the Landrys. The only person to see the shooters face, Ellie is suddenly thrust into the center of a criminal investigation spearheaded by the no-nonsense, by-the-book, and tantalizingly handsome agent Max Daniels.With the Landrys captured, shell be called to testify. But the Landrys have been caught before, and each time the witnesses are scared into silenceor disappear. Now Max vows to be Ellies shadow, promising never to leave her side until the trial. But that could be dangerous for both of them, and it isnt long before the sparksand the bulletsfly.PressestimmenPraise for #1 New York Times bestselling author Julie GarwoodWhoever thinks romantic suspense is dead should read a Julie Garwood book.USA TodayA trusted brand name in romantic suspense.PeopleJulie Garwood creates masterpieces every time she writes a book.The Kansas City StarUndoubtedly Garwood is a pro.Kirkus sIf a book has Julie Garwoods name on it, its guaranteed to be a meticulously written...and thoroughly engaging story.Sun Journal (ME)KurzbeschreibungA womans life and love are compromised in this pulse-pounding thriller from #1 New York Times bestselling author Julie Garwood.Dr. Ellie Sullivan has witnessed the shooting of an FBI agent in pursuit of a ruthless modern-day Bonnie and Clyde known as the Landrys.
