Von Lindsey Davis : The Ides of April: Flavia Albia 1 (Falco: The New Generation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ides of April: Flavia Albia 1 (Falco: The New Generation):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ave Albia ! Von Therese Lust Ich wei nicht , wie dieses Buch zu sovielen schlechten Kritiken kommen konnte. Es ist wirklich sehr gut und steht Falcos Anfängen um nichts nach. Natürlich ist es Schade von Falco Abschied zu nehmen. He

is keeping a low profile because of Domitian. Very plausible. Er und Helena finden immer wieder Erwähnung, ohne das es gekünstelt wirkt. Albia ist ein starke gut durchdachte Person und die Handlung ist spannend mit dem gewohnt leichten Humor. Auch Tiberius und Junillus sind gut gezeichnet. Albia ist ein würdiger Nachfolger, weiter so! 3 von 4 Kunden fanden die folgende Rezension hilfreich. Einmal Lindsey Davis - immer wieder Lindsey Davis Von Dr. A. Poretzschkin Lindsey Davis wird ihrem charmanten Stil weiterhin gerecht. Die liebenswert betriebene, im Kern immer wieder das blühende Leben treffende Art mit der Falco viele, viele Abenteuer und harte Herausforderungen bestanden hat, wird nahtlos auf Albia übertragen. Nach "the Ides of April" wartet man auf den nächsten Band - und wenn es die Sprache erlaubt - wartet man nicht auf die deutsche Übersetzung. AP0 von 0 Kunden fanden die folgende Rezension hilfreich. loved it Von Azalea Albia is a worthy member of the didii. And the fun about this book: while you see some things coming from a mile off, others sneak up as a pleasant surprise. Now, to read it again, knowing who is who, or to buy the next volume and devour that first? But then, how long do we wait for Albia III?

Kurzbeschreibung Flavia Albia is the adopted daughter of a famous investigating family. In defiance of tradition, she lives alone on the colourful Aventine Hill, and battles out a solo career in a male-dominated world. As a woman and an outsider, Albia has special insight into the best, and worst, of life in ancient Rome. A female client dies in mysterious circumstances. Albia investigates and discovers there have been many other strange deaths all over the city, yet she is warned off by the authorities. The vigils are incompetent. The local magistrate is otherwise engaged, organising the Games of Ceres, notorious for its ancient fox-burning ritual. Even Albia herself is preoccupied with a new love affair: Andronicus, an attractive archivist, offers all that a love-starved young widow can want, even though she knows better than to take him home to meet the parents... As the festival progresses, her neighbourhood descends into mayhem and becomes the heartless killer's territory. While Albia and her allies search for him, he stalks them through familiar byways and brings murder ever closer to home. The Ides of April is vintage Lindsey Davis, offering wit, intrigue, action and a brilliant new heroine who promises to be as celebrated as Marcus Didius Falco and Helena Justina, her fictional predecessors. Pressestimmen Davis' best-selling historical mysteries brim with colorful characters and rich period detail, providing readers with a vivid portrait of ancient Rome. Booklist on Master and God Lindsey Davis doesn't just bring Rome to life--she brings Rome to life better than anyone else ever has. Detroit Free Press on The Silver Pigs An irresistible package of history, mystery, and fast-moving action, all punctuated by a sense of humor that few writers can match. The Cleveland Plain Dealer on Venus in Copper Werbetext Falco: the next generation. Introducing Flavia Albia.
