Three Book SetVon Ingrid Stephanie JordanTitle: The Immortal Dragon BrothersA Complete Series Books 1 - 3Author: Desirae GroveReviewer: Stephanie JordanTitle: A RIDE WITH HER DRAGON BOOK 1This is my first book to review for this Author. I love almost all Shifters and Dragons I adore. This book was cute and not a bad read BUT to Tame for me.The Dragonmen were tame and the sex was even tamer for a dragon shifter. But he did have a big one lol..Dori loved to cook and bake and always did a lot of it. Dori's ancestors were from Romania. Her grandmother raised her with a Romanian Heritage, she could read and speak the ancient language. Oh how Dori missed her grandma.Aidan just moved in the same apartment building as Dori, they've been friends for many year.Aidan and Jax were brother and Dragon shifters. Jax's met Dori years ago and knew what she was to him. But he waited for her to grow up a little first. Like I said it's a cute little love story.Title: A DIVE WITH HER DRAGON BOOK 2And the saga continues yes, this can be a stand alone book. The bookA RIDE WITH HER DRAGON was Aidan, Jax's and Dori and now A Dive with her Dragon happens to be Aidan and Natalie with Jax's and Dori making an appearance. Aidan being a rare Water Dragon. I wonder if Jaydan's story is next? I have to say I like this book a lot better. I also realize the explicit sexual interactions will not be in these reads. Plus Jax being centuries old believes no sex before marriage. It makes Natalie happy too.Natalie Richards is an editor for Stories magazine. She is also writing a book too.

And has been dating boring Chad, I meanboooooorrrriinnngg. Now she sees a new tenant in the building his eyes are mouth watering, jaws open, to die for. Plus Natalie is scared to death to be in water. Aidan Auger is a Marine Biologist and has a grant to research the sea, But right now the only eyes he has is for Natalie could she be the one? Title: A FLIGHT WITH HER DRAGON BOOK 3 If you read my first and second review for this author you see the story of Aidan and Jax and now we have Jaydan, I love the name Jaydan. Jaydan Auger was the last brother to find his mate. What a site she was, no way could he believe that the woman climbing on his truck was his mate. Jaydan never thought he would find her. Especially since he was the oldest and both his brother's already found their mates. NOW he must wine and dine her so she will fall in love with him. Jaydan wasn't a charismatic kind a guy, he didn't say mushy romantic things. Kelsie Bell loved her Victorian Home she inherited from her grandmother. Going to estate and yard sales was so much fun, she just loved it. Kelsie had to pass up many beautiful deals because she didn't have a way to transport everything. Then she saw a vintage truck for sale, it was just perfect. The owner was perfect too, mouth watering, jaw dropping handsome. Then he started talking and Kelsie could only stare than he acted cocky and the sassy Kelsie's came out. Besides men like him didn't go for BBW that's for sure, but that doesn't stop her from being attracted to him. OMG he asked me to go out to dinner. I was gifted this ARC for an honest and truthful review.
