Adam's story, it would be well advised to read those first - they don't only make the understanding of this book easier, they are also so much fun you wouldn't want to miss them;-) Adam - an ancient Tuatha D - is punished by his queen to walk in the human realm in human form, stripped from almost all his powers and unable to communicate with either the humans nor with his own kind. Invisible to all humans - and being royally upset about it - imagine his surprise when he stumbles across Gabrielle, one of the last remaining Sidhe Seers (humans that can actually see the Tuatha D when they walk within the human realm). She is his ticket to freedom. First, Adam only wants to gain Gabby's cooperation in order to make her get in touch with his queen - not to forget his goal to bed her to experience passion in his human form - but when his old enemy starts hunting them for their life he has to concentrate on something altogether different - keeping them both alive. This book was sure worth waiting for. KMM manages to keep the story going in a fast, fresh pace, and the sexual tension between the protagonists is just sizzling. I can't wait for the next one!

Eine beherrschende, überraschende, spannende, sexy Geschichte. Ich habe Adam als arroganten, egoistischen, gefühlkalten aber sexy Fairy in Erinnerung, der zuweilen gerne mit einem Menschenschicksal spielt. Als ich das Buch aufschlug habe ich mich gefragt, wie will Moning diesen Charakter in nur gut 260 Seiten glaubhaft zu einer liebenswerten Figur entwickeln und wie soll es zu einem Happy End kommen?!? Und dann wird einem Adam Black unmerklich von Buchseite zu Buchseite sympathischer, zunächst schleicht er sich in die Herzen und dann erobert er sie im Sturm! Für mich ist das Moning's bisher bestes Buch! Moning hat Adam Black in Gabrielle eine wunderbare Frau an die Seite gestellt und wenn er ihren Kosenamen ka-lyrra "schnurrt", dann wird mir ganz anders... Für den vollen Genuss sollte man allerdings alle Bücher, in denen er zuvor schon auftaucht auch gelesen haben.

Adam, who thought he couldn't fall in love, (The Tuatha D feel no emotions) meets with Gabby O' Callaghan his perfect match and he falls very hard for her. A Tuatha D and a Sidhe-Seer, that seems to be impossible, but wait till you read this book. I say only so much, the sparks are flying between these two. You will also meet some old friends, from earlier books, again in "The Immortal Highlander". "The Immortal Highlander" is a real treat and real page-turner. It's one of the best books I have read for a long time!

From Booklist For eons Adam Black has aided humanity and meddled in its affairs, much to the chagrin of the queen of the Seelie Court. He has finally pushed her too far and finds himself, a once powerful Fae, invisible and very human. But he is still as resourceful as ever, and finds a way to reach the queen and plea to have his curse lifted with the help of a young lawyer, Gabrielle O'Callaghan, a human born with the ability to see his kind. As old enemies yearn to take advantage of his weakened state, threatening his life and all existence, Adam discovers that Gabrielle threatens a heart he never thought he had.

RITA Award-winning Moning's fans may now rejoice that Adam, a reoccurring charmer from her previous novels, has his own story at last, and all readers who love humorous fantasy romance filled to the brim with fantasy-worthy Highlanders will find Moning's latest to be a sensuous treat.
