**Von J. S. Lewis : The Immortal Prince of Egypt (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Immortal Prince of Egypt (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Outed in EgyptVon CustomerHistorical gay romance at its best! The story twists and turns both in the main character's mind and heart and in geographical displacement. Couldn't put it down and that's the best thing I can say about a book. The Immortal Prince of Egypt is better than the Jamaican American Thug Drama and delves into just how difficult being

homosexual has been throughout history. This clever tale does justice to coming of age as a gay man. It's spicy too. Some of it was great to read aloud. Nudge, nudge, wink, wink. Say no more, say no more. Looking forward to the next book. Highly recommended.0 von 0 Kunden fanden die folgende Rezension hilfreich. immortalVon The Wizard of OzA wonderful introduction for this reviewer to the lesbian/gay genre. A highly believable tale written in the literary form that the author has created with the skill of a craftsman. A great read.0 von 0 Kunden fanden die folgende Rezension hilfreich. What an utter waste of money... the cover is the best part of this monstrosity.Von KundeI am not picky about plots and I can take some bad/incorrect writing but holy... this book was so bad I could not bring myself to finish it!The book has multiple POVs that follow different arcs and I do not mind that, but the writing was so atrocious that I only kept shaking my head in disbelief! It read like a random 12 year old wrote it, throwing various big words together not caring how they work together.Really, little of the "emotion" made any sense, instead it truly sounded like the author wanted to just up his "cool word count", describing things endlessly, disjointed, nonsensical, making me feel like there were a lot of words but nothing actually happened, everything was blown up and out of proportion for no reason at all.Even all the average, free books I got on here on lately were so much better, and I regret having spent my money. That'll teach me to check Goodreads instead of trusting reviews!If you don't care how well a book is written, or maybe you are a fan of this particular author then sure, read it.But if you like well written books that draw you in with all the true emotion and amazing settings and characters, please do look elsewhere or at least get yourself a free excerpt before committing to a purchase!

KurzbeschreibungTHE MOST BREATHTAKING HISTORICAL ROMANCE NOVEL OF THE CENTURY ONE OF THE MOST BORROWED LGBT THEMED BOOKS IN KINDLE OWNERS LENDING LIBRARY THE EXTRAORDINARY KINDLE BESTSELLER IN "GAY ROMANCE"GOODREADS.COM NOMINATION FOR BEST M/M ROMANCE#1 GAY ROMANCE#1 FANTASY ROMANCE#1 HISTORICAL ROMANCE Gripping, Light, Adventurous, Erotic and Amusing.
