Read it in less then 24 hours...Von NaennaI don't want to summarize the story of the book, that's done in the description. The more I would write about it, the less interesting it would be, to read the book.Just let me say, that I enjoyed the book.I enjoyed the characters, the moments, they shared and I fully got involved in the story. As I said, I read it overnight. It

was an easy task and I was a little sad, as it was "over". A story, I was thinking about. The book left me with several thoughts about the ongoing of that story. That's always a sign of a good book. If I think about it afterwards, it got in my heart. This one did it ;-)
