Von Sherryl Woods : The Inn at Eagle Point (A Chesapeake Shores Novel, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Inn at Eagle Point (A Chesapeake Shores Novel, Book 1):

KurzbeschreibungHome, heart and family. Sherryl Woods knows what truly matters. It may be years since Abby

O'Brien Winters set foot in Chesapeake Shores but her memories are picture perfect. Nothing has changed in the little town her father built, except Abby isn't the girl she once was. Jaded from her demanding career and ruined marriage, Abby knows her life hasn't been right for a while. The plea for help from her sister may have come at just the right time. Chesapeake has called her home. Helping her family save the crumbling Inn at Eagle Point could heal old wounds in Abby's heart. But saving the inn from ruin means dealing with not only her own fractured family, but also Trace Riley, the man Abby left ten years ago! In Chesapeake second chances happen in the most unexpected ways.
