Many Engaging Thrills Amid Some MysteriesVon Donald Mitchell"Keep yourself far from a false matter; do not kill the innocent and

righteous." -- Exodus 23:7 (NKJV)I enjoyed this thriller by David Baldacci. He manages to add nuances to the usual clichs in the genre to craft a different kind of story where a government assassin finds himself facing ethical and emotional issues that he doesn't expect. While it's hardly a deep-character-development novel, Baldacci succeeds in making his characters interesting and attractive enough to keep you turning the pages. While all thrillers are a bit near the top, if not over it, I found that this one contained elements that made it seem more realistic at times than most of the genre. That was due to careful plotting that I admired while reading the book . . . and even more after finishing it. I also liked the way the plot twists were designed to reveal new clues concerning what is really going on. If you've liked any earlier David Baldacci books, I think you'll like this one. The book begins by establishing the solitary work of Will Robie in getting rid of the bad guys under difficult circumstances. After you are well into that, he comes to a hit that surprises him . . . and leads to some unexpected events. In the course of those events, he meets a runaway girl who attracts his protective instincts. In a role reversal, he ends up trying to look out for her while taking care of his own precarious business. It makes for some amusing scenes and sequences that humanize the thriller and increase its appeal. Enjoy!

Das Gute an der Kindle-Version ist, dass kein Regalplatz bentigt wird und eben auch dieses Buch zuhause keinen Regalplatz wegnimmt. Denn sollte es das tun, dann wrde ich es im Altpapier entsorgen. Zusammenfassend: Leichte Urlaubskost, schnell weggelesen, keinen bleibenden Eindruck hinterlassend.

KurzbeschreibungThe Innocent is another action-packed thriller from David Baldacci, one of the world's most popular writers. Back in DC after successful missions in Edinburgh and Tangier, assassin Will Robie sees his latest assignment, to eliminate a US government employee, go badly wrong. What had she done, or what did she know? Robie is now a wanted man. But it seems that he's not the only one on the run. Young teenager Julie Getty is devastated by the inexplicable murder of her parents in their home. Who wanted them dead, and why, is a mystery. But Julie is smart enough to believe that their killer will come after her. Robie and Julie meet when he saves her from an attempt on her life as they were trying to leave town. The police investigating the hit start to take an interest in Robie. He's particularly attracting the interest of Special Agent Nicole Vance, who believes that the two cases are connected. Robie finds himself in a dangerous position as he is tasked to investigate a crime at which he was present. Does he need to change sides to save lives - including his own? The Innocent is the first novel in David Baldacci's blockbuster Will Robie series.
