Von Claire Davis, Al Stewart : The Invasion of Tork (Tork and Adam Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Invasion of Tork (Tork and Adam Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Only sorry that it is so short Von E.T. Tork is a young homeless man with a lot of issues. He struggles to survive on the streets and trusts no one. He is in permanent danger and on the verge of starvation. He lost all hope and nearly his will to live. That changes when one day he dares to enter the local food bank and encounters Adam, the unwilling

volunteer. Adam, a egoistic and spoiled brat imagines himself high above the "great unwashed" as he calls the homeless. Adam has to work at the food bank to earn Brownie points for college but he hates it as much as he despises the poor people he has to get in touch with. Tork and Adam have nothing in common still there is some attraction. It's a good book, only too short, written in turn from Torks and from Adams point of view. Torks fears, his ways to handle them are described very emphatic. Adam on his high horse is a good poster child for the "normal" people with their arrogant prejudice against the homeless. How they help each other is a nice story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. just not my cup of tea Von Snorkeling The initial look inside read intriguing, but the story in itself just felt too flimsy for me - that a youngster that troubled as Tork would be so instantly drawn to a jerk like Adam (I read this book a couple of days ago and could hardly remember his name) felt weird. Well, maybe Tork had become so troubled because he likes jerks? Well, the two boys are quite young and though I find this interesting in most books, this time they just felt too immature to my taste, so the two stars ought not spoil the reading pleasure of others. Only for me it wasn't the right cup of tea at all.

Kurzbeschreibung Adam is cool, intelligent and drop-dead gorgeous - all the guys tell him so! When he is forced to start voluntary work at the local homeless shelter, all he worries about is keeping the clients well away from him and finishing the placement as soon as possible. Until he meets Tork. Tork is clever and funny. He makes origami models and reads Dickens. Tork has green hair and makes Adam's heart race with longing. But Tork is homeless and not at all impressed with Adam's attitude. Can Adam see past his fear and arrogance? Can Tork give Adam a chance? Can two such different men turn the world upside down and find out what really matters? Read to find out their story. Content Warning: the story includes reference to and description of self-harming. * * * * Christmas 2015 Join Tork and Adam in The Invasion of Adam - the sequel to The Invasion of Tork. * * * * A story from Boughs of Evergreen: A Holiday Anthology ABOUT BOUGHS OF EVERGREEN Boughs of Evergreen is a two-volume collection of short stories celebrating the holiday season in all its diversity. Penned by authors from the UK, the USA, Scandinavia and Eastern Europe, these are tales of the young and the not-so-young from many different walks of life. Themes of family, friendship and romance take readers on a journey through some of the major holidays, both past and present, including Thanksgiving, Advent, St. Lucia Day, Hanukkah, Saturnalia, Winter Solstice, Yule, Christmas and New Year. In each we find at the very least hope, and often love, peace and happiness. Proceeds from sales of this anthology will be donated to The Trevor Project. The Trevor Project is the leading national organization [USA] providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgender and questioning (LGBTQ) young people ages 13-24.
