Interesting biography Von Alf Reader about two sisters of the South. The story is set in the beginning of 19th century and tells the ways of two famous US female speakers of abolitionism and women's rights. Nice to read, interesting story about the deep south and slavery and the difficult fights against establishment. Good to read: The insights into the

quakers point of views and queer approach to morality. An entertaining piece of work, good language. I enjoyed.

First novel I read by Sue Monk Kidd, but definitely not the last. Moving, touching, brilliant work with a real meaning. Obligatory for all women and men.

Von LinMich hat die Geschichte sehr berührt - es ist immer wieder beeindruckend, mitzuerleben, wie Menschen (im Fall der Grimk-Schwestern ja auch "echte" historische Personen) über Grenzen gehen und damit neue Epochen einläuten.
Besonders schön finde ich es, wie die Beziehung zwischen Handful und Sarah dargestellt wird - (Achtung Spoiler) eben nicht kitschig-klassisch als die tiefe Freundschaft, sondern realistischer, distanzierter, so wie man es sich tatsächlich vorstellen kann.
Absolut empfehlenswert!

Kurzbeschreibung
From the celebrated author of the international bestseller *The Secret Life of Bees* comes an extraordinary novel about two exceptional women.
Sarah Grimk is the middle daughter. The one her mother calls difficult and her father calls remarkable. On Sarah's eleventh birthday, Hetty 'Handful' Grimk is taken from the slave quarters she shares with her mother, wrapped in lavender ribbons, and presented to Sarah as a gift. Sarah knows what she does next will unleash a world of trouble. She also knows that she cannot accept. And so, indeed, the trouble begins ...
A powerful, sweeping novel, inspired by real events, and set in the American Deep South in the nineteenth century, *THE INVENTION OF WINGS* evokes a world of shocking contrasts, of beauty and ugliness, of righteous people living daily with cruelty they fail to recognise; and celebrates the power of friendship and sisterhood against all the odds.
