Great Heroes, Greater Heroines!Von dustbuster@yaho.comLet me begin my saying that I usually love novellas because they are not as complicated as full length romances. Let's face it: not everyone that falls in love has so many obstacles as some characters in romance novels have.In the first novella, William Montgomery captured my heart. He was so

certain that Jackie was the woman for him, and I felt something akin to envy when Jackie finally got together with William. In the second novella, I adored Cale's spunkiness and cynicism. I loved Cale's views on Ruth and the cowboy Kane Taggert. I loved the fact that Cale did not sob over Kane's defection like so many sappy heroines would have. In the third and last novella, I especially like Apollodoria. Her attitude reminds me of so many friends I have. She is blunt with Cole, and does not lie to him to get what she wants. All three were great novellas, and I would recommend them to anyone. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gosh, did everyone just love Cale or what! Von Ein Kunde I usually prefer length novels to short stories but this one was just oh-so delicious! I don't know if it's because authors have more freedom to experiment on new things in short stories or what, but this book is filled with some delightful surprises. And on top of the list lies Cale, our heroine from second story. She is just so... different, refreshing, and unforgettable. She is full of spunk and adorable cynicism and sharp edgy wits that it's hard not to fall for her. She is one of a kind and we really need more heroines like her (I mean really!). There would be nothing better to have a lengthy novel with a character like her - we must insist Ms. Deveraux! (OK, I'm getting too excited, but really.) Buy it, read it, indulge yourself. Oh, and if you liked Cale try some of Joan Wolfe's writing, it has similar taste. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Cole Hunter Von Franni There are three stories in this book, the first is really bad (even though it is a Montgomery - a twenty-eight year old male virgin), the second pretty good - don't we all love cowboys!, and the third just the best story ever (maybe on the same scale as "Wishes", since I do love Jace that much)! "A perfect Arrangement" is the story of an aging gunslinger (end thirties) and how he falls in love with a plain rich prim girl who wants to impress her beautiful sister. When I read it, I laughed so hard I had tears coming to my eyes. Buy it!

Kurzbeschreibung Jackie O'Neill was a daredevil pilot and a true American heroine...a woman so beautiful men stopped in their tracks to watch her walk down the street, her long confident strides eating up the earth. After years of nonstop excitement -- of traveling around the globe in a chaotic rags-to-riches-to-rags whirl with her late husband, Charley -- Jackie had returned to Eternity, Colorado, near her hometown of Chandler. She wanted to put down roots, start a business, maybe someday fall in love again. But she never dreamed that the man who might make all her wishes come true was William Montgomery...little Billy, the lovesick boy who dogged her every step when she was a teenager...little Billy, who was now definitely a man, handsome, sexy, rich, and still madly in love with Jackie O'Neill....
