Von Jessica Stirling : The Island Wife (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Island Wife (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A sterling nineteenth century Scottish romanceVon Ein KundeTheir father seems to be in a constant drunken state. Their

younger sister Aileen seems to have physically and mentally stopped maturing five years ago when she turned ten. Their two brothers are always looking for a quick rich scam. Only their mother serves as a positive role model. Yet life on the island of Mull off the coast of Scotland in 1878 was pleasant enough for sisters, Bidy and Innes. However, everything abruptly changes when a newcomer, shepherd Michael Tarrant, arrives. Both sisters want him for themselves and a sibling rivalry breaks out between them. However, Bidy, being prettier than Innes, catches Michael's immediate attention, but it is Innes, the deeper of the duo, who falls in love with the Incomer. With the rivalry turning acrimonious, it would seem that none of the participants in this skewed triangle will find lasting happiness. THE ISLAND WIFE is a well-written historical romance by one of the sub-genre's top writers, Jessica Sterling. The novel is charming due to several intriguing sub-plots that add depth while neatly tying into the main story line. The three prime characters and the support cast add much local flavor to an already superb tale. The esteemed Ms. Sterling has created a pure gold experience for the historical romance audience. Harriet Klausner

Kurzbeschreibung Set in 1878, this is the story of Bidy and Innes, two young girls from a large crofting and fishing family on the Isle of Mull, whose world is thrown into confusion by the arrival of a handsome young shepherd. Tragedy follows when they both fall in love with the same man. Pressestimmen One of the best. * Bookseller * Jessica Stirling is one of Scotland's most prolific and best-loved authors. * Scottish Daily Record * She writes in bright colours with bold, confident strokes. * Glasgow Herald * Jessica Stirling's high reputation is well deserved. * Manchester Evening News * Kurzbeschreibung Set in 1878, this is the story of Bidy and Innes, two young girls from a large crofting and fishing family on the Isle of Mull, whose world is thrown into confusion by the arrival of a handsome young shepherd. Tragedy follows when they both fall in love with the same man.
