Von Laurence O'Bryan : The Istanbul Puzzle before purchasing it in order to gage whether or not it would be worth my time, and all praised The Istanbul Puzzle:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und unterhaltsamVon Martin ZielonkaEin bisschen Istanbul-Flair kommt rber, natrlich ist viel "Fiktion" dabei. Das Ende enttuscht ein wenig, trotzdem habe ich auch das Jerusalem Puzzle gekauft.0 von 1 Kunden fanden die folgende Rezension hilfreich. The next Hollywood Blockbuster to be! Be one of the first to read it!Von Natalie

CasettiThe Istanbul Puzzle is gripping and superbly written, with a fluent and judicious storyline building up to a great finale. The very authentic two main characters are likable and beautifully three dimensional. Their deeds are comprehensible and coherent within themselves. Laurence obviously loves and knows about Istanbul and its smells and sounds, its dark corners, the century-old history, the diametrically opposed expectations to the future of Occident and Orient just tied together by one bridge. (The walk along chapter at the end is a BRILLIANT idea!) What a great, great pleasure to read. I am dead-certain this book and its followers will soon attract some Hollywood attention. Because its like a cool Dan Brown. Only with more Original Ideas and a more sophisticated writing syle!

KurzbeschreibungBuried deep under Istanbul, a secret is about to resurface with explosive consequencesAlex Zegliwski has been savagely beheaded. His body found in an underground archaeological dig, hidden beneath the holy temple of Hagia Sophia in Istanbul. When Sean arrives in the ancient city to identify his colleagues body, he is handed an envelope of photographs belonging to Alek and soon finds himself in grave danger. Someone wants him dead but why? Aided by British diplomat Isabel Sharp, Sean begins to unravel the mystery of the mosaics in the photographs and inch closer to snaring Aleks assassin. Evil is at work and when a lethal virus is unleashed on the city, panic spreads fast. Time is running out for Sean and Isabel. They must catch the killer before its too late. To find out more about the real puzzles of Istanbul visit lpobryan.wordpress.com An electrifying conspiracy thriller which will entice fans of Scott Mariani, Sam Bourne and Dan Brown. Pressestimmen 'This stylish conspiracy thriller is a Turkish delight combines plenty of stirring action with fascinating historical detail about a city and a country [Laurence] quite obviously loves.' Irish Independent 'A brisk plot which draws the reader into a conspiratorial rapport He's come late to fiction, clearly he means to enjoy it.' Telegraph" 'This stylish conspiracy thriller is a Turkish delight combines plenty of stirring action with fascinating historical detail about a city and a country [Laurence] quite obviously loves.' Irish Independent 'A brisk plot which draws the reader into a conspiratorial rapport He's come late to fiction, clearly he means to enjoy it.' Telegraph"- 'This stylish conspiracy thriller is a Turkish delight...combines plenty of stirring action with fascinating historical detail about a city and a country [Laurence] quite obviously loves.' Irish Independent- 'A brisk plot...which draws the reader into a conspiratorial rapport...He's come late to fiction, clearly he means to enjoy it.' Telegraph Werbetext A brutal murder. An ancient temple. A long-lost treasure.
