Absolutely hilarious
Von Ram
I have read the Jeeves series during my college days and wanted to have a go at it again. Jeeves omnibus gives quite a nice orderly collection of the whole series. It is absolutely hilarious, enjoyable and very very British. Just be sure not to read it in a park / public place, as people might think you are loony :P
1 von 1 Kunden fanden die folgende Rezension hilfreich. Gute Antidepressionshilfe
Von Louise the same
Wodehouse gehört mit zu meiner Antidepressionsbibliothek. Gut als Lachmedizin, und hat keinen Bezug zur Realität. Das hilft mir zum Abschalten!
0 von 0 Kunden fanden die folgende Rezension hilfreich. Guter Ansatz
Von Erlenhain
Ich fasse mich kurz: Das Werk P. G. Wodehouse ist ohnehin hervorragend. Dass Hutchinson sich an einer umfassenden Ausgabe der Jeeves-Geschichten versucht, ist lobenswert. Einzig, es wäre wünschenswert, wenn man sich um etwas größere chronologische Ordnung bemühte. Deshalb ein Stern Abzug.

Kurzbeschreibung
You don't analyse such sunlit perfection: you just bask in its warmth and splendour
Stephen Fry
'It's beats me why a man of his genius is satisfied to hang around pressing my clothes and what not,' says Bertie. 'If I had Jeeves's brain I should have a stab at being Prime Minister or something.'
Luckily for us, Bertie Wooster manages to retain Jeeves's services through all the vicissitudes of purple socks and policeman's helmets, and here, gathered together for the first time, is an omnibus of Jeeves novels and stories comprising three of the funniest books ever written: Thank You, Jeeves, The Code of the Woosters and The Inimitable Jeeves.
Thank You, Jeeves
Bertie disappears to the country as a guest of his chum Chuffy only to find his peace shattered by the arrival of his ex-fiancee Pauline Stoker, her formidable father and the eminent loony-doctor Sir Roderick Glossop. When Chuffy falls in love with Pauline and Bertie seems to be caught in flagrante, a situation boils up which only Jeeves (whether employed or not) can simmer down . . .
The Code of the Woosters
Purloining an antique cow creamer under the instruction of the indomitable Aunt Dahlia is the least of Bertie's tasks, for he has to play Cupid while feuding with Spode.
The Inimitable Jeeves
In pages stalked by the carnivorous Aunt Agatha, Bingo Little embarks on a relationship roller coaster and Bertie needs Jeeves's help to narrowly evade the clutches of terrifying Honoria Glossop . . .
Pressestimmen
"The gold standard of English wit There is not, and never will be, anything to touch him" (Christopher Hitchens)
"It's dangerous to use the word genius to describe a writer, but I'll risk it with him" (John Humphrys)
"Mr Wodehouse's idyllic world can never stale. He will continue to release future generations from captivity that may be more irksome than our own. He has made a world for us to live in and delight in" (Evelyn Waugh)
