Von Michael J. Sullivan : The Jester: A Riyria Chronicles Short Story (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jester: A Riyria Chronicles Short Story (English Edition):

Will hier nichts spoilern, daher verbrauche ich hier nur schnell die erforderlichen Wrter!0 von 0 Kunden fanden die folgende Rezension hilfreich. Some more pleasant bickering between our beloved thievesVon ErklittThis is a short story telling another adventure of Royce and Hadrian.The story is nice, but it didn't exactly blow my mind. To avoid writing spoilers, I'll just say they are on the run, accompanied by a couple of clients, and have to solve a riddle in the end to escape. How they solve it is a prime example for their singular relationship.Which, of course, is the real reason for reading this

story. Those guys' banter is always worth the read, as any Riyria reader will know. So get it!

Kurzbeschreibung WHO WILL HAVE THE LAST LAUGH? Stop me if you've heard this one. A thief, a candlemaker, an ex-mercenary, and a pig farmer walk into a trap and what happens is no joke. When Riyria is hired to retrieve a jester's treasure, Royce and Hadrian must match wits with a dwarf who proves to be anything but a fool. Difficult choices will need to be made, and in the end those who laugh last do so because they are the only ones to survive. This is a standalone short story of 7,200 words. No prior knowledge of The Riyria Revelations or The Riyria Chronicles is required to enjoy it to its fullest, making this a perfect introduction for new readers or a chance for Riyria veterans to spend a little more time with old friends. The Jester is a story of adventure, bonds of friendship, and a recognition that the choices we make dictates the future we find. NOTE: This short story was originally published in the Unfettered Anthology edited by Shawn Speakman. It is also available for free in audio form on Audible.com, narrated by the amazing Tim Gerard Reynolds.
