Von Steven Saylor : The Judgement of Caesar (Gordianus the Finder) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Judgement of Caesar (Gordianus the Finder):

KundenrezensionenHilfreichste Kundenrezensionen4 von 5 Kunden fanden die folgende Rezension hilfreich. Not quite up to his usual standards - but still a good readVon kashewThe first books in the series have a freshness lacking here. Nonetheless, it is a good story ... make it a 3+. The portrayal of the Egyptian royalty, including Cleopatra, was interesting. After having enjoyed Colleen McCullough's Roman series, it is hard to sympathize with Gordianus's

unwavering dislike of Caesar, which I find distracts from the mystery aspect of the book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Buch aus dieser ReiheVon BcherfriedelSehr spannend und informativ geschrieben, man fhlt sich in das alte Rom zurck versetzt, kann die Gerche der Straen riechen und die Lebensgewohnheiten damals hautnah erfahren.

KurzbeschreibungIt is 48 BC.For years now the rival Roman generals Caesar and Pompey have engaged in a contest for world domination. Both now turn to Egypt, Pompey planning a last stand on the banks of the Nile, while Caesar's legendary encounter with the Egyptian queen will spark a romance that reverberates down the centuries. But Egyptitself is torn apart by the murderous rivalry between the goddess-queen and her brother King Ptolemy.Into this hothouse atmosphere of intrigue and deception comes Gordianus the Finder, innocently seeking a cure for his wife Bethesda in the sacred waters of the Nile. But soon he finds himself engaged in an even more desperate pursuit - to prove the innocence of his son, who stands accused of murder. The judgement of Caesar will determine the fate of Gordianus's son; the choice Caesar makes between Cleopatra and Ptolemy will determine the future of the world. Saylor presents a bold new vision of Caesar and Cleopatra, amid bloodshed and battle, in a setting of Egyptian mystery.PressestimmenA compelling testament to Saylor's growth as a writer and to his seemingly effortless ability to imagine characters who feel real. (Publishers Weekly)Fans of the historical mystery couldn't do better. (Kirkus s)How wonderful to have a scholar write about ancient Rome; how comforting to feel instant confidence in the historical accuracy of the novel (Sunday Times)Saylor's gifts include authentic historical and topographical backgrounds and... sombre themes set off the brilliant scenery and clever plotting. (Times Literary Supplement)Readers will find his work wonderfully (and gracefully) researched... this is entertainment of the first order. (Washington Post)WerbetextThe tenth book in Saylor's bestselling Gordianus series re-issued with a brand new cover.
