But the app makes me write a review or it won't let me read the book in peace1 von 1 Kunden fanden die folgende Rezension hilfreich. Not bad at allVon Csilla DemeterI've read a few books about sex and sexuality, and this is the first book where I have the feeling that the main character really doesn't care about sexual "norms" of the society. In every book I've read I got the feeling that there's something wrong with sexually extraordinary cravings, no matter how openly it was spoken about or how much the main character embraced his or her sexuality, it somehow always sounded "wrong" or "unnatural". Sasha makes everything sound very natural and normal which made me feel very comfortable.But I didn't like the plot and found it a little boring.0 von 0 Kunden fanden die folgende Rezension hilfreich. Super geschriebenVon ChristinaUm den Schreibstil von Sasha Grey einzuordnen wrde ich ihn zwischen Fifty Shades of Grey (teilweise) und der englischen Version von Feuchtgebiete einordnen. Es ist sehr humorvoll und interessant geschrieben, wobei es vor allem Anfangs um das Mdchen und die Beziehung zu ihrem Freund und die heimliche Anziehung zu ihrem Lehrer geht. Sie schreibt von allgemeinen Ansichten ber ihre Welt und persnlichen Problemen die man so als Frau hat :D Je weiter man jedoch liest desto verwirrender und teils unlogischer wird es. Die Story wendet sich fast komplett von den anfnglichen Themen ab und es werden immer fters die "Begegnungen" zwischen den geheimnisvollen Personen auf den besonderen Parties beschrieben, und das sehr detailvoll, fast zu detailvoll ;)Das Ende, muss ich persnlich sagen, fand ich enttuschend und viel zu berstrzt. Ich htte vom Ende mehr erwartet und es bleiben einige Dinge offen... Aber vielleicht kommt noch ein Buch ;)Dennoch empfehle ich das Buch sehr, da es wirklich Spa gemacht hat zu lesen :)

KurzbeschreibungCatherine, a blossoming film student whose sexuality has been recently stirred, finds herself drawn into a secret club where the world's most powerful people meet to explore their deepest, often darkest sexual fantasies.But even as these new experiences open intense new pleasures for Catherine, they also threaten to destroy everything she holds dear.In her debut novel, Sasha Grey takes us inside a private, high-profile, sex society where anything and everything can happen.PressestimmenA tantalising debut (The Sun)The writing is fantastic, her take on life and sex and everything in between is fascinating and Catherine was a very complex character . . . The Juliette Society was a very interesting read (Chick Lit s)[Sasha Grey] knows what she's talking about. More shockingly, she knows how to write vividly AND how to whip up a stonking plot. Hot stuff (Star Magazine)Set to be the next EL James (Independent)The Juliette Society is erotica with a difference . . . definitely one to add to your reading list (Cosmopolitan)Very much the Fifty Shades of Grey for 2013 (Dazeddigital.com)An impressive debut from Sasha Grey, who writes with an easy confidence . . . This is the perfect read for someone who fancies a bit of intelligent sauce (BestChickLit.com)Perfect for those needing a post-Fifty Shades fix (Grazia)This sexy debut is a sizzling holiday read (Fabulous Magazine)50 Shades has a new contender for hottest book on the block (No 1 Magazine)WerbetextBefore we go any further, let's get this out of the way first. I want you to do three things for me. One. Do not be offended by anything you read beyond this point. Two. Leave your inhibitions at the door. Three, and most importantly. Everything you see and hear from now on must remain between us.OK. Now let's get down to the nitty-gritty...
