Kurzbeschreibung Tea. Sympathy. Revenge. The Sisterhood Has Their Own Style Of Justice. The women of the Sisterhood know life isn't fair, but that doesn't mean they have to like it--or let it pass. Instead, these best friends share their joys, troubles, triumphs, heartaches and one collective mission: to right wrongs and bring justice where it is desperately needed. Even reeling from loss of one of their own, the Sisterhood is always prepared to rally behind a new friend. For years, Paula Woodley has suffered the broken bones and shattered self-esteem caused by an abusive marriage. But what can she do? Her high-profile, Washington powerbroker husband is not a man to be crossed. Or so he thinks. The Sisterhood may not be an organization found in any of his memos, but he's about to take a meeting with them--and they'll be setting the agenda. . . . Praise for Fern Michaels's Sisterhood Novels Payback "Revenge is a dish best served with cloth napkins and floral centerpieces. . . . fast-paced. . . . puts poetic justice first."--Publishers Weekly Weekend Warriors "Readers who grow weary of seeing the bad guys get away with their crimes will enjoy seeing what happens when well-funded, very angry women take the law into their own hands."--Booklist "An unforgettable story."--Rendezvous From Booklist It's Nikki's turn for payback in the latest installment in Michaels' Revenge of the Sisterhood series. Everyone believes she'll go after her former fiance, Jack, who has sworn to bring the ladies down for stepping outside the law to bring restitution to those denied justice by legal means. But Nikki has no intention of doing so. In fact, she gets back together with him after they agree that Jack will not actively pursue the Sisterhood in his new job as the Washington, D.C., district attorney, and Nikki agrees that she no longer feels entirely comfortable with their operation. None of the other sisters has any idea that they have reached this understanding. Then the wife of the National Security Advisor, who regularly beats her, has finally had enough. While she recuperates, the Sisterhood enacts revenge on her behalf. Fast paced and jam-packed with action, Michaels' new romantic suspense novel will please fans of her bloodthirsty-for-a-good-cause women. Maria Hatton Copyright American Library Association.
