Von Eric Van Lustbader : The Kaisho (Shadow Warrior Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kaisho (Shadow Warrior Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 6 Kunden fanden die folgende Rezension hilfreich. Nicholas Linnear It nicht nach...Von Ralf Dittmar3 Roman der Nicholas Linnear Serie (Ninja, Miko, Kaisho)Neben dem alten Kampf Gut gegen Bse spielt hier wieder die japanische Mystik eine grosse Rolle.Doch die Grenzen sind nicht immer

klar, Unterscheidungen zu treffen fällt manchmal schwer. Die Puzzelstücke, die sie im Lauf der Geschichte entdecken, und die Linnear und sie zu einem Ganzen fügen wollen, passen nicht immer. Vergangenheit, Zukunft und die Gegenwart beeinflussen den Lauf der Geschichte. Mitspieler aus den verschiedensten Ländern und Kulturen wie USA, Vietnam, Japan und Italien treffen sich auf dem Feld. Das Beste?? kommt aus Japan und Italien, Sizilien und Venedig. Im Laufe des Romans zeigen sich immer wieder Masken. Menschen verstellen sich und Lügen. Und werden demaskiert. WER IST FREUND?? Wer Feind? Auf wen kann man sich verlassen? Die ist aber wieder in bekannter Manier so geschrieben, dass man unbedingt das Ende erfahren will. Kurz und gut, ein weiterer Schätzmacher von Eric van Lustbader. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Kaisho is absorbing. Von Rebecca Brown. Like a Steven Spielberg movie, an Eric Lustbader book covers a lot of ground, a lot of time a lot of people. You have to put aside your workaday impatience sit receive his words as you would a cup of fresh tea. With his rich imagery, his deft craft that brings to life the serenity of a Japanese tea ceremony or the primitive, shape-shifting of ancient Asian hill people; or the old wondrous waterroads buildings of mystical Venice or the starkly bland American Mafia enclaves, you learn that Mr. Lustbader will not disappoint. A lusty read. For my full review please go to: () 0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining. Von Seth Armstrong. The Kaisho is a very entertaining novel. As usual, the writing and plot are great, and the villain is probably Lustbader's best so far (at least for his Nicholas Linnear novels; I have not, as yet, read any of his others). Good martial arts battles. Also builds on the mystical aspects. I don't think this will disappoint Lustbader fans. Read the previous novels first before attempting this one, though.

Kurzbeschreibung SHADOW WARRIOR. The ancient Japanese art of death is practiced by a select few. Of those young men who are chosen to train in the way of the shadow warrior, most will fail. Those who pass these trials, the Ninja, become the silent assassins, lonely guardians, and unseen watchers of legend. But rarer still are those masters of the shadow craft, the Shiro those whose fearsome abilities are matched only by their rigid code of honour. Men like Nicholas Linnear... THE KAISHO. The samurai were the nobility of the warrior class. But if a samurai fell into disgrace, he became a ronin a mercenary without state or master. From these outlaws came the bandit clans, the Yakuza. Today the world's largest criminal syndicate. Now Nicholas Linnear, a shadow warrior bound to tradition and honour, finds himself forced by an old oath to protect the head of this vast network. The man they call the Kaisho. Kurzbeschreibung SHADOW WARRIOR. The ancient Japanese art of death is practiced by a select few.
