Von Fyodor Dostoevsky, Ignat Avsey : The Karamazov Brothers (Oxford World's Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Karamazov Brothers (Oxford World's Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A real page-turner in contemporary EnglishVon T. WallaceThe translator (who passed away shortly after this version of the book was published) used more modern English than previous versions without eschewing a rich vocabulary. In any

case, the classic novel shines within this framework.0 von 0 Kunden fanden die folgende Rezension hilfreich. A classic, beautifully printed and bound!Von Girish KulkarniThis Everymans Library edition of The Brothers Karamzov is beautifully bound and printed. It is joy to handle it, leaf through it, read it, and watch it lying on your shelf. Highly recommended!1 von 2 Kunden fanden die folgende Rezension hilfreich. Nice read but I'd go for a different formatVon AdinaThis is a classic book, depends if you like the style or not. otherwise, this book is nicely printed, white paper, easy to read. However, I would have preferred to buy it in 2 or 3 books rather than a big one. Its not so comfortable to carry this around or read it when youre mid-way.

KurzbeschreibungDostoevsky's last and greatest novel, *The Karamazov Brothers* (1880) is both a brilliantly told crime story and a passionate philosophical debate. The dissolute landowner Fyodor Pavlovich Karamazov is murdered; his sons - the atheist intellectual Ivan, the hot-blooded Dmitry, and the saintly novice Alyosha - are all at some level involved. Bound up with this intense family drama is Dostoevsky's exploration of many deeply felt ideas about the existence of God, the question of human freedom, the collective nature of guilt, the disastrous consequences of rationalism. The novel is also richly comic: the Russian Orthodox Church, the legal system, and even the authors most cherished causes and beliefs are presented with a note of irreverence, so that orthodoxy, and radicalism, sanity and madness, love and hatred, right and wrong are no longer mutually exclusive. Rebecca West considered it "the allegory for the world's maturity", but with children to the fore. This new translation does full justice to Dostoevsky's genius, particularly in the use of the spoken word, which ranges over every mode of human expression.

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Pressestimmen[Dostoevsky is] at once the most literary and compulsively readable of novelists we continue to regard as great . . . *The Brothers Karamazov* stands as the culmination of his arthis last, longest, richest, and most capacious book. [This] scrupulous rendition can only be welcomed. It returns us to a work we thought we knew, subtly altered and so made new again. *Washington Post Book World*A miracle . . . Every page of the new *Karamazov* is a permanent standard, and an inspiration. *The Times* (London)One finally gets the musical whole of Dostoevskys original. *New York Times Book* Absolutely faithful . . . Fulfills in remarkable measure most of the criteria for an ideal translation . . . The stylistic accuracy and versatility of registers used . . . bring out the richness and depth of the original in a way similar to a faithful and sensitive restoration of a painting. *The Independent*It may well be that Dostoevskys [world], with all its resourceful energies of life and language, is only now and through the medium of [this] new translation beginning to come home to the English-speaking reader. *New York of Books*Heartily recommended to any reader who wishes to come as close to Dostoevskys Russian as it is possible. Joseph Frank, Princeton UniversityWith an Introduction by Malcolm V. Jones
