books? He writes great legal thrillers, with a good plot, very entertaining and often funny dialogues (good repartee!), convincingly depicted protagonists who are not just 'flat' characters but seem to be real people with all their inconsistent and sometimes unpredictable behavior. The great thing is that even after about 20 books, Lescroart still manages to provide a great read, guaranteed to keep you hooked and sitting up all night so you can finish. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend Von Karin Krausen Ein etwas anderer Lescroartkrimi aber nicht schlecht. Ein prima Buch für den Urlaub und für den Sommer. aber vielleicht nicht der beste Lescroart.

Kurzbeschreibung There is no such thing as an open and shut case... The Keeper is the fifteenth thriller in the bestselling Dismas Hardy series by master of legal suspense John Lescroart. Perfect for fans of Steve Cavanagh and Michael Connelly. 'The courtroom drama king' - Independent When prison guard Hal Chase's wife, Katie, goes missing on Thanksgiving Eve, he quickly becomes the prime suspect. Now it's up to lawyer Dismas Hardy to lead his defence. Chase and Katie's marriage had been fraught with problems. He certainly had motive to want her out of his life. But as Hardy and former homicide detective Abe Glitsky delve deeper into the case, many details seem off, including the death of an inmate in the jail where Chase worked. Amid a backdrop of conspiracy and corruption, Glitsky closes in on the elusive truth. And as the death count rises, he realises the next victim could be him...
