Von Bodie Thoene, Brock Thoene : The Key to Zion (The Zion Chronicles Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Key to Zion (The Zion Chronicles Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Five stars isn't enough!! I've never read anything betterVon Megan VillaNever have I come across a better author. Bodie Thoene (tay-nee) is truly amazing. These books are full of drama. It's like the characters became my friends. When I finished the series, It felt as though I lost some good friends. I really don't know if I could be as entertained,

enlightened and fulfilled by reading anything else after reading this series. Originally I was checking the series out one at a time from the library. But when I realized I'd finally found something I couldn't put down, I figured I better buy the whole series. I have never bought books before, because I've never found anything worthy of being read more than once. I was just so compelled and I want to share her writings with all my friends and family. She's spectacular. So is anything written by her husband Brock, who helps her co-write everything. It's almost like watching a movie, because there are so many plots intertwined. I was shocked to read the epilogue in RETURN TO ZION. You'll have to find out for yourself. Just don't start reading in the middle of the series. If I could never read another authors works but one it would be the Theone's. - Megan Villa0 von 0 Kunden fanden die folgende Rezension hilfreich. Very well written. Read all of the series in four months.Von Ein KundeCould not stop reading the books. A friend has all of the books and right now, there are three of us reading them. We are senior citizens so we did live at that period of time. The authors make that whole sad period of our time come alive. I especially liked the idea where the authors showed the good and bad side of every religion. Since I was fortunate to have been in Israel in the past year, so much of what I saw pertained to what I was reading. I recommended the books to everyone who I know enjoy reading historical fiction. If you haven't read the books, you are missing a wonderful experience.0 von 0 Kunden fanden die folgende Rezension hilfreich. Key to Zion was a must read!!!Von Ein KundeThis was an excellent example of Christian, historical fiction. The book has solid, real characters and after reading the whole series, I felt that I just returned from 1948. The history I learned through out was an added bonus. You will not be able to put down this entire series(5 books in all)! It is so exciting how the scenes play out. There were several sections that I was surprised how the scene played out. I can usually tell a plot line a mile away, but this time I was kept guessing. I would love a movie made of this. Excellent, excellent book!

KurzbeschreibungIs this the hour of destiny promised by the ancient prophecies or the time of destruction? Rabbi Lebowitz of Jerusalem's Old City has waited a lifetime for this moment. No Jew has held the key to the Gate of Zion since AD 70. Yet on May 14, 1948, the day of Israel's statehood, the British will turn that keythe symbol of his hope for the nationover to him. But even before the British evacuate, full-scale fighting breaks out between the Arabs and Jews. Five Middle Eastern nations gather around the tiny country to divide it up among themselves. Caught in the middle, the native Palestinians flee, clogging the roads in front of the incoming armies. Is there any hope for peace? for stopping the bloodshed? Haganah leader Moshe Sachar must make a bold moveone that could cost him his life but means life or death for his people. When Moshe rescues an injured Arab girl, Rachel, his wife, must decide: Should she risk revealing the secrets of her past to reach an enemys heart? Especially one who says she hates all Jews?KurzbeschreibungIs this the hour of destiny promised by the ancient prophecies or the time of destruction?
