KurzbeschreibungI, Samantha Stevens, am unemployed. For the last five months I've been working as an assistant at The Agency, one of the best and biggest talent agencies in the world. And today, I was fired. I'm smart and educated, but as a 22-year-old that isn't too bad on the eyes, I'm about to get an offer I don't think I'll be able to refuse: A bit of my time and a little of my body for a monetary donation.If I am going to even attempt being a call girl, I'm going to do it right. I have to create a new identity and that's when Kimberly is born. Kimberly is many things I am not, and while Samantha is a bit timid, shy and constantly nervous, Kimberly has no insecurities, says what's on her mind, and most importantly is sexually confident. While Samantha works toward her goal of becoming a professional writer, Kimberly is on a new career path earning more money than I ever could at the moment. While many professionals offer "the girlfriend experience," none of them can match The Kimberly Experience.A semi-autobiographical tale about my experiment with being a call girl.KurzbeschreibungI, Samantha Stevens, am unemployed.
