KurzbeschreibungFBI Special Agent Patrick Bowers has matched wits with some of the most violent serial killers in historyand one of them has never forgiven him....Patrick Bowers has pursued the nations fiercest serial killersand now one elusive foe is back for revenge.Settling into a new post at the FBI academy, Patrick and hisfiance, Lien-hua Jiang, are planning their future together with his stepdaughter, Tessa.But just when his life seems normal, a demon from the past returns to draw him down a dark road he hoped had closed forever. Forced into a desperate hunt to save the two women he loves most, Patrick is in a race against time to stop an international conspiracy from becoming the most widespread act of terrorism in U.S. history.PressestimmenPraise for the work of Steven JamesA mesmerizing read. From the first chapter, it sets its hook deep and drags you through a darkly gripping story with relentless power. My conclusion: I need to read more of Steven James. Michael Connelly, New York Times bestselling author of The DropWith a multidimensional quality, Steven James writes with a confident, assured ease. Just good, old-fashioned, gimmick-free storytelling that pushes the envelope to the edge and beyond.Steve Berry, New York Times bestselling author of The Columbus AffairSteven James has created a fast-moving thriller with psychological depth and gripping action. Opening Moves is a smart, taut, intense novel of suspense that reads like a cross between Michael Connelly and Thomas Harris. Young Detective Patrick Bowers battles his own demons as he uses his intellect and experience to track twisted killers. Full of twists and enjoyable surprise, Opening Moves is a blisteringly fast and riveting read.
