Von Cynthia Haseloff : The Kiowa Verdict before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kiowa Verdict:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Captivating Page-Turner!Von gwen@internetresources.comCynthia Haseloff has captured the spirit of the American frontier in a way that kept me spellbound from beginning to end. Not only did I come away with a true sense of the era, but I also became a new fan of the Western genre, as well (at least the Haseloff Western genre). I can't wait to read

her prequel to this book, "Satanta's Woman." I would highly recommend "The Kiowa Verdict" to anyone looking for a great beside-your-bed read.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent, very well done.Von rightlead@hotmail.comCynthia, has captured the events of a very special time in our history and built beautiful characters around the very people who played such an important role in that point in time of the American West.0 von 1 Kunden fanden die folgende Rezension hilfreich. Winner 1998 Spur AwardVon Ein KundeThis book is the winner of the 1998 Spur Award for Best Western Novel (selected by the Western Writers of America).

KurzbeschreibungWhen Kiowa war chief Santana boasted that he had led a war party against a wagon train of freighters, he set the stage for his arrest. The war party had robbed, tortured and mutilated members of the wagon train, and now the Kiowa chief was to be tried in a Texas court. The case seemed open and shut, but attorney Joe Woolfolk made it clear that the U.S. would have to prove its charge without using Santana's boastful self-incrimination.**Kurzbeschreibung**When Kiowa war chief Santana boasted that he had led a war party against a wagon train of freighters, he set the stage for his arrest. The war party had robbed, tortured and mutilated members of the wagon train, and now the Kiowa chief was to be tried in a Texas court. The case seemed open and shut, but attorney Joe Woolfolk made it clear that the U.S. would have to prove its charge without using Santana's boastful self-incrimination.**Synopsis** In 1871 Kiowa war chief Satanta boasted that he had led a war party against a wagon train of freighters. His boasting led to his arrest, along with two other chiefs. Never before had an Indian war party been put on trial, compelled to defend their acts of violence. Cynthia Haseloff has dramatised this moment in American history.
