Had to LOL on several occasions - especially while reading the discussion between Lady Elizabeth and her father near the end. One commentator felt George's mistress Josephine played too great a role, but her character was important and worked behind the scenes and was instrumental in getting George "in shape". The supporting characters - especially Elizabeth's father and his relationship with a former mistress and his wife - gave the story more depth. I highly recommend this story.1 von 1 Kunden fanden die folgende Rezension hilfreich. ein bisschen echtes Leben, Lieben und VerwirrspielVon Familienmanagerinund dazu ein paar mehr Akteure als sonst blich.Die Figuren in der Geschichte sind recht warm gezeichnet, und man merkt, wie zwischen Herz und Titel-Streben entschieden wird - und dass auch eine Maitresse ein Ziel im Leben haben kann und trotzdem nicht als gewinnchtig dargestellt werden muss.Habe das Buch in einer kostenlosen Aktion erhalten und gerne gelesen. Mein Tipp: kostenlos downloaden, mal anlesen und wenn's gefällt: weiterlesen ;-)1 von 2 Kunden fanden die folgende Rezension hilfreich. na jaVon lesewuetigHier wurden zu sehr die Klischees bedient, um interessant zu sein: Die Protagonistin ist wirklich zu grundgut, ihr mnnlicher Gegenspieler ein schwacher Abklatsch, die Maitresse allerdings vollkommen berzeichnet, weil vollkommen unrealistisch in ihrer Handlungsweise.

Its love at first sight when George spies Lady Elizabeth Carlington dancing with the Earl of Trenton. But the auburn-haired beauty is quite sure the earl will offer for her hand, and she has every intention of acceptingeven if his kiss has her feeling as if she were being kissed by her best friends dog! When Elizabeth mentions the unfortunate kiss during the balls supper, George implies there is an art to kissing, innocently offering to replace her poor first impression with a proper kiss. Intrigued, and unaware that George is a viscount and a secret patron of her charity, Elizabeth accepts his offer at the next ball. George is more than happy to accommodate her. His kiss has the daughter of a marquess so stunned, so amazed and so aroused, she makes another rather unexpected request, one that gives George a chance against the blond-haired, blue-eyed Earl of Trenton . Will the evening he has planned for Elizabeth convince her to accept his hand in marriage? Or simply leave her with a vivid memory of what she will be missing if she accepts the earls marriage proposal? The lessons of a mistress prove invaluable in "The Kiss of a Viscount".PressestimmenReaders of this rich tale will enjoy meeting characters that are three-dimensional and likable ... The Kiss of a Viscount is Regency romance with an interesting twist. Steamy, with a nice dash of humor, it shows that appearances arent everything when it comes to matters of the heart. Nicely done!
