Von Michael Moorcock : The Knight of the Swords (Corum: The Prince in the Silver Robe) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Knight of the Swords (Corum: The Prince in the Silver Robe):

RhodesAfter the rest of his race has been slaughtered and Corum himself has lost an eye and a hand to his enemies he journeys out to seek his love. He recieves a new eye and hand, only to learn that these were taken from

the old gods. With the dubious help of his godly parts he takes the fight to the evil new gods responsible for the massacre of his folk...A fantasy adventure set in morcocks multiple Univers. Like the other books from his series its a very original and inventiv story. Its a fast moving mix of fantasy and science fiction, and in my opinion one of the must reads for every morcock fan and a good beginning for everyone who wants to start with his series.

KurzbeschreibungThe Hand of Kwll and the Eye of Rhynn in exchange for the Heart of Airioch. There were Gods abroad in the old days. It was their whim to wipe clean the slate of history, to destroy the old races: the Vadhagh, the Nhadragh, the remnants of still more ancient peoples. Mankind, the Mabden, was their instrument. But the Gods themselves fell out, and Chaos gained the advantage over Law. Onto this stage stepped the Vadhagh Prince Corum. Driven mad for revenge by the callous slaughter of his family and race, and by his own grotesque mutilation at the hands of the Mabden, he agreed to accept, from the treacherous sorcerer Shool, the Eye of Rhynn and the Hand of Kwll in exchange for a lien on his soul. Thus armed he set out upon a personal crusade against the Sword Rulers: the Lords of Chaos and puppetmasters to Man. The first of these was the loathsome Arioich, Knight of the Swords, master of five of the fifteen planes of reality. From Arioich, Prince Corum required his heart...KurzbeschreibungThe Hand of Kwll and the Eye of Rhynn in exchange for the Heart of Airioch. There were Gods abroad in the old days.
