Iron Sea sequel - running through 'The Kraken King' stories like nothing - they're just keeperVon Birgit WahlI love Meljean Brook's Iron Sea series and well I couldn't wait to read 'The Kraken King' sequel of this series. I love this book and well I have all of them now and read them too and in a few months I guess I will a re-read. Just saying 'The Kraken King' books are a keeper like all other books of Meljean Brook and always on my pre-order list. Can't wait for the next adventures aka books of the Iron Sea series and well I would like to see more about Ariq and Zenobia in the upcoming books of the Iron Sea series.
