Von Agatha Christie : The Labours of Hercules (Poirot) (Hercule Poirot Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Labours of Hercules (Poirot) (Hercule Poirot Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hercule in HoichformVon Rolf DickWunderbar spannende und intelligente Geschichten, in denen Hercule die 12 Auifgaben des Herkules(Herakles) mit souverner Meisterschaft erledigt. Ein herrliches Leseverngen.2 von 2 Kunden fanden die

folgende Rezension hilfreich. 12 wonderful short-story murder mysteries Von Ein Kunde I liked this book because while it's a collection of short stories, it is also a long story featuring Herclue Poirot. These 12 stories are almost more fun to read than a long murder mystery, because you can put down the book for a long time and then pick it up again without having to try to remember who all the characters are. One of my favorite Agatha Christie mysteries, I'd recommend it to all of her other fans. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Poor short stories Von Ein Kunde It's incredible how she insisted on making this kind of books. They don't even may be called a book. When it starts to call your attention the story finishes. You don't get even to define more or less the characters' psychological profile at the end. I don't recommend it.

Kurzbeschreibung In this set of short stories, Poirot sets himself a challenge before he retires to solve 12 cases which correspond with the labours of his classical Greek namesake In appearance Hercule Poirot hardly resembled an ancient Greek hero. Yet reasoned the detective like Hercules he had been responsible for ridding society of some of its most unpleasant monsters. So, in the period leading up to his retirement, Poirot made up his mind to accept just twelve more cases: his self-imposed Labours. Each would go down in the annals of crime as a heroic feat of deduction. Pressestimmen `Twelve little masterpieces of detection. Poirot and Agatha Christie at their inimitable best' Sunday Express `I have often thought that Mrs Christie was not so much the best as the only living writer of the true of classic detective story' Margery Allingham `A finely shaped book, richly devious and quite brilliant - by far the best volume of Poirot shorts' San Francisco Chronicle Pressestimmen `Twelve little masterpieces of detection.
